U-Turn David Barton,George Barna,2014 Combining current research with the authors trademark insight and analysis U Turn gives readers a unique view of the moral and spiritual condition of Americans and provides specific insights into how we can turn our nation around **The Exodus Breaking Cycles and Changing Lives** Rev. Patrina M. Wright,2011-12-21 Each year in the United States an estimated two to six million women are victims of domestic violence Domestic violence is a pattern of assaultive and coercive behaviors including physical sexual fi nancial spiritual and psychological abuse Domestic violence is about control manipulation and domination Ninetyfive percent of assaults on spouses or ex spouses are committed by men against women Too afraid and too shame to speak up there are countless numbers of women sitting in Churches all across America suffering in silence Victims and perpetrators are from all ages racial socioeconomic sexual orientation educational occupational geographic and religious groups If you or someone you know has ever experienced domestic violence you are in need of a personal life changing encounter with a powerful God One who delights in healing wounds and setting the captive free The Exodus is that kind of encounter its about coming face to face with a Holy God as He does those things that you cannot do for yourself **The Connection** Romona Kolma,2022-06-10 The Lord wants a connection with His people He doesn t want us to do the work completely on our own He doesn t want us to move ahead of him and He does not

want us to lag behind He wants our cooperation in completing the work He has begun in us When we lose our focus on Him and we try to fix the problem ourselves or we cannot see when He will fulfill His promise to us so we move ahead of Him thinking we are helping All of a sudden we find ourselves in the middle of disasters confusion and bewilderment It is at those very times when we let go that He then will reach down and pull us up He can and will connect us back to Him when we let go of our plans and allow His plans to shine through you It is our willingness to surrender ourselves for His purposes This is a statement I read that sums it all up The Lord has a great work to be done and He will bequeath the most in the future life to those who do the most faithful willing service in the present life The Lord chooses His own agents and each day under different circumstances He gives them a trial in His plan of operation In each truehearted endeavor to work out His plan He chooses His agents not because they are perfect but because through a connection with Him they may gain perfection BLJ
