So Wheres The Punch Line:

Anti-Matter Michael Mathiesen, 2018-09-05 Yes there is Anti Matter too much in fact and there s a little bit of it everywhere Anti Matter the opposite type of matter that we know and use every day Whenever Anti Matter comes into contact with the normal matter that is part of us all it annihilates all probability of the continued path we re on and sends us down an alternative path I also believe that right now we here on the Earth are traveling through a hugely unusual cloud of this stuff How do I know that Because everything going on in our evolution is an opposite reality We should be enjoying the greatest brotherhood of mankind ever with Love and Peace and prosperity being proclaimed everywhere Instead we re killing each other in record numbers Hate fills the media Governments have all failed us Discord and chaos rule us And it is my theory that we went off into this anti matter induced alternate universe when John Kennedy was assassinated and Lyndon Johnson became the President who decided to go and slaughter millions of innocent people in Viet Nam and then Richard Tricky Dick Nixon became President and he expanded the war into Cambodia and neither of these men went to jail This was the start of the Bizarro Universe for me I noticed the moment we went down this evil path because the Beatles were pulling us all in the right direction but the Gravity of these evil minds led us down the wrong path There s book about this theory great Science Fiction that everyone must read Get your copy today
