Gwynne's *Latin* Nevile Gwynne,2014-04-10 Latin is it the most wonderful thing It is mind enhancing character improving enthralling exciting deeply satisfying and valuable My solid determination is to spare no pains to do it the justice that its importance demands Mr Gwynne author of the Sunday Times bestselling phenomenon Gwynne s Grammar is just as emphatic about the importance of Latin as he is about the importance of grammar From the novice to the more well versed Gwynne s Latin is essential for anyone interested in learning Latin Mr Gwynne promises to teach you more Latin in half an hour than you would learn from years of being taught Latin at school He also includes a fascinating section on everyday Latin usage which discusses all the Latin words and idioms we still use today such as quid pro quo and sui generis Though we need no further convincing as we know Mr Gwynne is never wrong here are just some of the many reasons why Latin is utterly wonderful Latin is an academic subject easy enough for the least intelligent of us to grasp all the basic elements of and yet difficult enough to be demanding for its greatest scholars For well over a thousand years it was the means of communication that united the whole of Europe culturally and in every other significant way It is the direct ancestor of between them the five most widely spoken European languages and both of the official South American languages It is the ancestor and source of more than half of the English language partly directly and partly through French which for some centuries was England s official language Following in the same beautifully designed footsteps of Gwynne s Grammar Gwynne s Latin will teach you all the fundamentals of Latin quickly thoroughly and better than all the competition Kibogo Scholastique Mukasonga,2022-09-13 FINALIST FOR THE 2022 NATIONAL BOOK AWARD A new masterwork of satire lore and living memory from the leading voice of French Rwandan literature Mukasonga breathes upon a vanished world and brings it to life in all its sparkling multifariousness J M Coetzee In four beautifully woven parts Mukasonga spins a marvelous recounting of the clash between ancient Rwandan beliefs and the missionaries determined to replace them with European Christianity When a rogue priest is defrocked for fusing the gospels with the martyrdom of Kibogo a fierce clash of cults ensues Swirling with the heady smell of wet earth and flashes of acerbic humor Mukasonga brings to life the vital mythologies that imbue the Rwandan spirit In doing so she gives us a tale of disarming simplicity and profound universal truth Kibogo s story is reserved for the evening s end when women sit around a fire drinking honeyed brew when just a few are able to stave off sleep With heads nodding drifting into the mist of a dream one faithful storyteller will weave the old legends of the hillside stories which church missionaries have done everything in their power to expunge To some Kibogo s tale is founding myth celestial marvel magic incantation bottomless source of hope To white priests spritzing holy water on shriveled drought ridden trees it looms

like red fog over the village forbidden satanic a witchdoctor s hoax All debate the twisted roots of this story but deep down all secretly wonder can Kibogo really summon the rain

Teaching Classics with Technology ,2019-06-13 The impact of ICT on the teaching of classical languages literature and culture has not until now been extensively described and evaluated Nevertheless educational technology has made a huge difference to the ways in which Classics is taught at junior senior and college level The book brings together twenty major approaches to the use of technology in the classroom and presents them for a wide international audience It thus forms a record of current and developing practice promotes further discussion and use among practitioners teachers learners and trainers and offers suggestions for changes in pedagogical practices in the teaching of Classics for the better The many examples of practice from both UK and US perspectives are applicable to countries throughout the world where Classics is being taught The more traditional curricula of high school education in the UK and Europe are drawing more and more on edutech whereas educational jurisdictions in the US are increasingly expecting high school students to use ICT in all lessons with some actively dissuading schools from using traditional printed textbooks This book presents school teachers with a vital resource as they adapt to this use of educational technology in Classics teaching This is no less pertinent at university level in the UK and US where pedagogy tends to follow traditionalist paradigms this book offers lecturers frameworks for understanding and assimilating the models of teaching and learning which are prevalent in schools and experienced by their students

The Journal of Classics Teaching, 2005, 2011-10-25 A cowboy through and through ranch owner Mallory Kirk knows what it means to put in a full day's work. But does his new cowgirl? He has his doubts that Morie Brannet will be able to pull her own weight even if the petite young woman does seem to have a lot of spirit. As they spar over events at the ranch and a past that threatens their hopes for the future, sparks begin to fly and Mallory can't help but notice Morie in a new light. But is this tough Wyoming man ready to love? Review: Palmer demonstrates yet again why she's the queen of desperado quests for justice and true love. Publishers Weekly on *Dangerous*. The popular Palmer has penned another winning novel, a perfect blend of romance and suspense. Booklist on *Lawman*. Palmer knows how to make the sparks fly heartwarming. Publishers Weekly on *Renegade*. Sensual and suspenseful. Booklist on *Lawless*. About the Author: Diana Palmer is renowned as one of North America's top ten romance writers. When she published her first novel in 1979, fans immediately fell in love with her sensual, charming romances. A die-hard romantic who married her husband five days after they met, Diana says that she wrote her first book at age thirteen and has been hooked ever since. Diana's hobbies include gardening, knitting, quilting, anthropology, astronomy, and music.
