**How To Be Born Again** Billy Graham, 1989-02-16 Man has a problem and God has an answer in Christ How the do we respond Dr Graham gives the answer in simple direct and dynamic language But he does not stop with the moment of the new birth for newborns have a lot of growing to do Here also is essential guidance to take them further for they can scarcely realize so soon the potential of the new power God can release from deep within them How to Be Born Again is at once universal and personal for the new Christian and for the Christian along the way an irresistible primer for finding salvation a guidebook for continuing growth [A commentary on 1](#)

[& 2 PETER](#) David Pawson, 2017-04-01 These two letters were written by the man who tried to persuade Jesus not to be crucified also wanted to erect three shrines on a mountain top for Moses Elijah and Jesus also was targeted by Satan to be sifted separated from the other disciples and whose self confident loyalty was shattered three times within twenty four hours But he had a special place on his Lord s prayer list which was undoubtedly a major cause of his transformation from a reed Simon into a rock Peter which enabled him to be the first pastor not pope of the church and the first preacher of the gospel after Pentecost This high calling qualified him to protect both the church from the persecution outside and the gospel from the corruption inside That is why his first epistle majors on suffering and the second on backsliding the latter containing the clearest warning against once saved always saved complacency His boldness led to his own crucifixion upside down at his own request Bear this in mind as you read both his pastoral letters **The Book of Mysteries** Jonathan Cahn, 2016 A
