*Winston Churchill* Tariq Ali,2022-05-10 This critical biography of Winston Churchill is a powerful corrective as it shines a light on the real history and war crimes of Britain s greatest leader Independent The subject of numerous biographies and

history books Winston Churchill has been repeatedly voted as one of the greatest of Englishmen The wartime leader has become a household god for many preserving an antiquated vision of Britain still shared by all 3 parties Yet was he anything more than a plump carp happy to swim in the foulest of ponds to defend the Empire In this coruscating biography Tariq Ali challenges Churchill's vaulted record Churchill himself never bothered to conceal his passionate defense of the British Empire or its attendant racism On a more personal level his complacent self belief influenced his every step and frequently tripped him up As the head of the British Navy during WWI he was responsible for a series of calamitous errors that cost thousands of lives His attempt to crush the Irish nationalists left wounds that have yet to heal His attacks on striking workers in Glasgow and Tonyandy his posturing when calling in the army to burn two anarchists in London's East End his vicious propaganda during the General Strike were not forgotten or forgiven During the war against Germany the most revered period of his career Churchill's crimes abroad continued including the brutal assault on the Greek Resistance the Bengal Famine that cost over 3 million Indian lives the all out assault on civilians in Dresden and Hamburg and the insistence on the use of nuclear weapons in Japan Even as the Empire was starting to crumble Churchill never questioned his imperial philosophy as he became one of the architects of the postwar world we live in today His is a terrible record amply documented in Tariq Ali's indictment
