## **Sober Justice:**

**Sober Justice** Joseph H. Hilley, 2004 Life takes a dangerous turn when divorced alcoholic attorney Mike Connolly is appointed to represent an indigent man accused of murdering the lawyer of a prominent plaintiff New York Supreme Court, Chicana Lives and Criminal Justice Juanita Díaz-Cotto, 2014-10-14 This first comprehensive study of Chicanas encountering the U S criminal justice system is set within the context of the international war on drugs as witnessed at street level in Chicana o barrios Chicana Lives and Criminal Justice uses oral history to chronicle the lives of twenty four Chicana pintas prisoners former prisoners repeatedly arrested and incarcerated for non violent low level economic and drug related crimes It also provides the first documentation of the thirty four year history of Sybil Brand Institute Los Angeles former women s jail In a time and place where drug war policies target people of color and their communities drug addicted Chicanas are caught up in an endless cycle of police abuse arrest and incarceration They feel the impact of mandatory sentencing laws failing social services and endemic poverty violence racism and gender discrimination The women in this book frankly discuss not only their jail experiences but also their family histories involvement with gangs addiction to drugs encounters with the juvenile and adult criminal justice systems and their successful and unsuccessful attempts to recover from addiction and reconstitute fractured families The Chicanas stories underscore the amazing resilience and determination that have allowed many of the women to break the cycle of abuse D az Cotto also makes policy recommendations for those who come in contact with Chicanas Latinas caught in the criminal justice system **Discretionary Justice** Leslie Paik, 2011 Juvenile drug courts are on the rise in the United States as a result of a favorable political climate and justice officials endorsement of the therapeutic jurisprudence movement the concept of combining therapeutic care with correctional discipline The goal is to divert nonviolent youth drug offenders into addiction treatment instead of long term incarceration Discretionary Justice overviews the system taking readers behind the scenes of the juvenile drug court Based on fifteen months of ethnographic fieldwork and interviews at a California court Leslie Paik explores the staff s decision making practices in assessing the youths cases concentrating on the way accountability and noncompliance are assessed Using the concept of workability Paik demonstrates how compliance and what is seen by staff as noncompliance are the constructed results of staff decisions fluctuating budgets and sometimes questionable drug test results While these courts largely focus on holding youths responsible for their actions this book underscores the social factors that shape how staff members view progress in the court Paik also emphasizes the perspectives of children and parents Given the growing emphasis on individual responsibility in other settings such as schools and public welfare agencies Paik s findings are relevant outside the juvenile justice system **A Compendium of Selected Criminal Justice Projects** United States. Law Enforcement Assistance Administration, 1975 The Limits of Pure Democracy William Hurrell Mallock, 2017-09-29 The 1910s was a decade in which theories of socialism pacifism and collectivism flowered Publicists and playwrights from Sidney Webb to

George Bernard Shaw expressed not just belief in utopianism but a vigorous assault on the existing political and economic order. Less well known is how a group of Tory thinkers laid the foundations of a conservative counter attack expressed with equal literary and intellectual brilliance. Foremost among them was W H Mallock. In *The Limits of Pure Democracy* he argued that the pseudo populist leaders of the political party system promise everything but deliver only the end of parties as such. For Mallock what starts with populism ends in dictatorship. The Russian Revolution was simply the historical outcome of utopian socialist visions that were more dedicated to destroying the present system of things than bringing about a revitalized future. Mallock's book explains how the modern free market succeeds through competition in increasing output, broadening occupational opportunities and multiplying the numbers of skilled professionals. In contrast welfare schemes serve to deepen poverty by spreading wealth so evenly that incentives to work decline and personal savings are eliminated. These arguments have become commonplace today. But at the time they served as an incendiary reminder that class warfare works in both directions. Mallock was a remarkably talented writer who made the case against exaggerated expectations of a nascent welfare system and mass political parties led by oligarchs. But he also offered a case for increasing regard for work, advancing the cause of education as a method of entering the modern world and for retaining a sense of religious codes that define the West. Mallock's search for an understanding of popular rule coincided with his appreciation and elucidation of the limitations of the emerging plebiscitarian spirit within democracy. *The Limits of Pure Democracy* William Hurrell Mallock, 1918

Locke, 2014-05-12 In a focused assessment of one of the founding members of the liberal tradition in philosophy and a self proclaimed Under Labourer working to support the scientific revolution of the seventeenth century the author maps the full range of John Locke's highly influential ideas which even today remain at the heart of debates about the nature of reality and our knowledge of it as well as our moral and political rights and duties. Comprehensive introduction to the full range of Locke's ideas providing an up to date account that acknowledges issues raised by recent scholarship over the past decade. A well rounded perspective on one of the intellectual giants of the western philosophical tradition. Provides detailed coverage of Locke's two key works *An Essay Concerning Human Understanding* and *The Two Treatises of Government*. A sophisticated analysis by a highly respected academic. A vital addition to the Blackwell Great Minds series.

**Departments of State, Justice, and Commerce, the Judiciary, and Related Agencies Appropriations for 1979: Department of State** United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of State, Justice, and Commerce, the Judiciary, and Related Agencies, 1978

Popular Justice and Community Regeneration Kayleen M. Hazlehurst, 1995-06-13 Formal justice systems have not served the human rights of native and aboriginal groups well and

have led to growing natural and international pressure for equal treatment and increased political and legal autonomy. Indigenous activities in areas of community healing have created a fervor of interest as native peoples have shared experiences with programs that reduce addiction, family violence, child abuse, and sociocultural disintegration of traditional communities. Through ethnographic and indigenous contributions, this volume penetrates the psychosocial aspects of the indigenous movement in the United States, Canada, Australia, and New Zealand. It analyzes community-based reforms and shows how years of experience in adversity, peacemaking, and community preservation have equipped native peoples with skills they now wish to share for spiritual world healing.

*Early American Proverbs and Proverbial Phrases* Bartlett Jere Whiting, 1977. p. B. J. Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them. No one knows more about British and American proverbs than he. The present volume, based upon writings in British North America from the earliest settlements to approximately 1820, complements his and Archer Taylor's *Dictionary of American Proverbs and Proverbial Phrases 1820-1880*. It differs from that work and from other standard collections, however, in that its sources are primarily not literary but instead workaday writings: letters, diaries, histories, travel books, political pamphlets, and the like. The authors represent a wide cross-section of the populace, from scholars and statesmen to farmers, shopkeepers, sailors, and hunters. Mr. Whiting has combed all the obvious sources and hundreds of out-of-the-way publications of local journals and historical societies. This body of material, because it covers territory that has not been extracted and compiled in a scholarly way before, can justly be said to be the most valuable of all those that Whiting has brought together, according to Albert B. Friedman. What makes the work important is Whiting's authority: a proverb or proverbial phrase is what B. J. W. thinks is a proverb or proverbial phrase. There is no objective, operative definition of any value; no divining rod; his tact, feel, experience determine what's the real thing and what is spurious.

*Case Management in the Criminal Justice System* Kerry Murphy Healey, 1999.

**Vegetarianism and Animal Ethics in Contemporary Buddhism** James Stewart, 2015-08-14. Buddhism is widely known to advocate a stance of total pacifism towards all sentient beings, and because of this it is often thought that Buddhist doctrine would stipulate that non-violent food practices such as vegetarianism be mandatory. However, the Pali source materials do not encourage vegetarianism, and most Buddhists do not practice it. Using research based on ethnographic evidence and interviews, this book discusses this issue by presenting an investigation of vegetarianism and animal ethics within a Buddhist cultural domain. Focusing on Sri Lanka, a place of great historical significance to Buddhism, the book looks at how lay Buddhists and the clergy came to understand the role of vegetarianism and animal ethics in Buddhism. It analyses whether the Buddha preached a view that encouraged vegetarianism and how this squares with his pacifism towards animals. The book goes on to question how Buddhist food practices intersect with other secular activities such as traditional medicine, as well as discussing the wider implications of Buddhist animal pacifism, including vegetarian political movements and animal rights groups. Shedding light on a subject that until now has only been

tangentially treated by scholars this interdisciplinary study will be of interest to those working in the fields of Buddhist Studies Religion and Philosophy as well as South Asian Studies      **Supreme Court of the State of New York: Appellate Division-First Department: The People of the State of New York, Against Patrick Flynn and John Sullivan ,**

**Justice of the Peace and Local Government Review ,1840      Inelastic Ecology Supply; Waveform Politics 6**  
Gary Clifford Gibson,2009-11-03 The author of these interdisciplinary essays Gary Clifford Gibson wrote this collection on U S contemporary issues for the years 2006 2007 and 2008 The essays are themselves arranged in a convenient chronological order from most recent to earliest The familiar journal format makes for easy and informative learning time We discover how important issues of the day are throughput as regularly as water under a bridge yet are concerned that such superficial treatment of important issues nationally by politicians and broadcast media contribute over much to the decline of the ecological and economic interests of the people of the United States of America      Secularism Or Democracy? Veit-Michael Bader,2007 Policies dealing with religious diversity in liberal democratic states as well as the established institutions that enforce those policies are increasingly under pressure Politics and political theory are caught in a trap between the fully secularized state and neo corporate regimes of selective cooperation between states and organized religion This volume proposes an original comprehensive and multidisciplinary approach to problems of governing religious diversity combining moral and political philosophy constitutional law history sociology and religious anthropology Drawing on such diverse scholarship Secularism or Democracy proposes an associational governance a moderately libertarian flexible variety of democratic institutional pluralism as the plausible third way to overcome the inherent deficiencies of the predominant models      Daily Report, Foreign Radio Broadcasts United States. Central Intelligence Agency,1963      **The Language War** Robin Tolmach Lakoff,2000 An exploration of who holds power in America today and how they use it keep it or lose it The text argues that the struggle for power and status at the end of the 20th century is being played out as a war over language
