The author wishes to dispute this polarity and proposes post Soviet neo modernism as an alternative concept Neo modernism embodies the notion that post Soviet writers have redeemed the tendency of earlier literature to seek the meaning of human existence in a transcendent realm as well as in the treasures of Russia's cultural past **Reception History and Biblical Studies** Emma England, William John Lyons, 2015-05-21 How do we begin to carry out such a vast task the examination of three millennia of diverse uses and influences of the biblical texts Where can the interested scholar find information on methods and techniques applicable to the many and varied ways in which these have happened Through a series of examples of reception history practitioners at work and of their reflections this volume sets the agenda for biblical reception as it begins to chart the near infinite series of complex interpretive events that have been generated by the journey of the biblical texts down through the centuries The chapters consider aspects as diverse as political and economic factors cultural location the discipline of Biblical Studies and the impact of scholarly preconceptions upon reception history Topics covered include biblical figures and concepts contemporary music paintings children's Bibles and interpreters as diverse as Calvin Lenin and Nick Cave The **Emperors and Empresses of Russia** Donald J. Raleigh, A.A. Iskenderov, 2015-02-24 Since glasnost began Russia s most eminent historians have taken advantage of new archival access and the end of censorship and conformity to reassess and reinterpret their history Through this process they are linking up with Russia's great historiographic tradition while producing work that is fresh and modern In The Emperors and Empresses of Russia renowned Russian historians tell the story of the Romanovs as complex individual personalities and as key institutional actors in Russian history from the empire
