Soccer Calling: A Handbook for Youth Soccer Coaches , *California and the Making of Modern Sport* Joel S. Franks, 2025-09-30 This book examines the importance of California a socio cultural economic and political powerhouse in the history of modern sport It argues that California has had a profound influence for better or worse on the way that not only America but also the wider world plays sport and spends money to watch others play The book traces the history of sport in California from the mid nineteenth century to the present and looks at how the state s historical development its climate and its unique racial and ethnic demographics have influenced sport at the elite level and in the wider community It considers the importance of spatial politics and cultural citizenship in the development of Californian sport and tells the story of how franchises such as the 49ers and the Lakers as well as individual athletes such as Jackie Robinson and Billie Jean King have had a profound influence on the way their sports have been consumed across America and in the wider world The book also takes a close look at the impact of mega sporting events in the Californian story providing historical context for the LA 2028 Olympic Games and tracing the full arc of the Californization of modern sports This is fascinating reading for anybody with an interest in sport history American history social and cultural history or the relationship between sport and wider society **Child's Play** Sabine Frühstück, Anne Walthall, 2017-10-24 Few things make Japanese adults feel quite as anxious today as the phenomenon called the child crisis Various media teem with intense debates about bullying in schools child poverty child suicides violent crimes committed by children the rise of socially withdrawn youngsters and forceful moves by the government to introduce a more conservative educational curriculum These issues have propelled Japan into the center of a set of global conversations about the nature of children and how to raise them Engaging both the history of children and childhood and the history of emotions contributors to this volume track Japanese childhood through a number of historical scenarios Such explorations some from Japan s early modern past are revealed through letters diaries memoirs family and household records and religious polemics about promising rambunctious sickly happy and dutiful youngsters **The Soccer**

Star Melissa McClone, 2022-01-04 A soccer star and a kind hearted artist find themselves on the same team but love is a game they never planned on playing Lucy Martin left her small hometown behind after her divorce Now she s back caring for her soccer crazed nephew while his parents are deployed She d do anything to make him happy including approaching her high school crush and current soccer superstar Ryker James for a favor Nursing an injury Ryker is laying low at his parents

house until he can rejoin his club and prove he has reformed his bad boy ways When the sister of an old friend asks him to coach her nephew s soccer team he should decline But Lucy intrigues him and he finds himself unable to disappoint her Coaching forces them together and sparks fly on and off the field Lucy is wary of romance and Ryker can t afford a distraction Before the final whistle blows will they take a shot at love or forfeit the match Great Coaching and Your Bottom Line Marijan Hizak,2019-06-20 If you are eager to find out the similarities between sports coach and business manager and what lessons from the world of sports coaching can be applied to both sports and business management then this is the book for you It is commonly believed that in order to achieve success in coaching the most important things are to be a good teacher and a pedagogue and to master in theory and practice technical knowledge about technique tactics and conditioning The aforementioned is no longer sufficient to achieve a successful coach s career and thus for the successful running of the club Sports coaches represent a significant source of new values for sports organizations They are one of the key factors in the business and sports success of sports organizations Not only the competitive success but also the business success of sports organization depends on them In this book you will find out that today for successful running of the sports organization the knowledge of communication and marketing skills is as important as the expertise and the sports results of the coach The bottom line is that better sports coaching delivers better business results Happy Feet Dan Blank,2014-04-18 HAPPY FEET is the ultimate resource for soccer parents Written by best selling author Dan Blank it will give you a better understanding of the game its rules and terminology This remarkable book includes links to seven free videos that help explain soccer s more mysterious concepts such as offside the advantage rule and systems of play By the end of Section 1 parents with no soccer background will have a working vocabulary of this strange sport and an understanding of all its moving pieces More importantly HAPPY FEET details the most common mistakes parents make in dealing with coaches referees and their own children It is a practical guide to situations that every soccer parent will eventually face HAPPY FEET is not a collection of sideline horror stories Written by a coach with more than 20 years of experience HAPPY FEET offers a wealth of advice presented in a conversational and humorous tone It is the definitive handbook for parents that want the best possible experience for their soccer playing children HAPPY FEET will help you understand the most effective path for growing your child s love for the game while also helping you steer clear of the behaviors that cause children to fall out of love with team sports Discover the easiest way to have a positive relationship with your coach how to effectively deal with playing time issues and learn how to talk with your child before and after a game Plus much much more Seventy five percent of youth soccer players quit by the age of 13 HAPPY FEET was written to combat this staggering defection rate by arming parents with everything they need to know to nurture and grow their children s love for the game so that soccer fields from coast to coast are alive and well with the sounds of very HAPPY FEET *Sport for Development and Peace* Robert E.
