Hašek,2019-06-24 This book is Volume 2 of First Czech Reader for beginners There are simple and funny Czech texts for easy reading The book consists of Elementary course with parallel Czech English texts The author maintains learners motivation with funny stories about real life situations such as meeting people studying job searches working etc The ALARM method utilizes natural human ability to remember words used in texts repeatedly and systematically The book is equipped with the audio tracks The address of the home page of the book on the Internet where audio files are available for listening and downloading is listed at the beginning of the book on the copyright page *Remembering the Cold War* David Lowe,Tony Joel,2014-01-21 *Remembering the Cold War* examines how more than two decades since the collapse of the Soviet Union Cold War legacies continue to play crucial roles in defining national identities and shaping international relations around the globe Given the Cold War's blurred definition it has neither a widely accepted commencement date nor unanimous conclusion what is to be remembered This book illustrates that there is in fact a huge body of remembrance and that it is more pertinent to ask what should be included and what can be overlooked Over five sections this richly illustrated volume

considers case studies of Cold War remembering from different parts of the world and engages with growing theorisation in the field of memory studies specifically in relation to war David Lowe and Tony Joel afford careful consideration to agencies that identify with being victims of the Cold War In addition the concept of arenas of articulation which envelops the myriad spaces in which the remembering commemorating memorialising and even revising of Cold War history takes place is given prominence
