Snapshots Paperback:

Snapshot Linda Barnes, 2007-04-01 Every Friday a child's snapshot arrives at the Boston office of P I Carlotta Carlyle. There's no note. No return address. Just pictures of the child as a newborn, as a toddler, as a preschooler. Maybe Carlotta should have tossed them all in the trash. Maybe then she wouldn't have gotten mixed up again in murder. Discovering what happened to the child in the photos draws Carlotta into a shattered picture of private lives, sadly out of focus and big shots mixed up with deadly conspiracy that stretches from a New England hospital to the Third World. And when she finds her own little sister from the Boston Big Sisters program in a different kind of danger, the truth jumps out in harsh black and white. In a world filled with killers and innocence, Carlotta Carlyle may be the only avenging angel left. **Snapshot** Camryn King, 2019-12-31 An ambitious photojournalist. An uber-dedicated enforcer. And an explosive high-profile scandal ignites Camryn King's provocative new thriller. Breathtaking oceanfront views, friendly locals, festive meals. At first, award-winning photographer Kennedy Wade's magazine shoot in the Bahamas is more play than work. Until she loses 48 hours of her life after flirting with a sexy stranger. Until her camera goes missing and once back in the States, she feels certain of being watched. So when Kennedy gets an unmistakable warning to quit digging deeper, she's not about to give up. His instructions: confidential. His orders: stop a traitor from posting photos threatening national security. But former Special Ops agent Zeke Foster's instincts are telling him something isn't right with this picture. Especially as Kennedy challenges his special skills and lethal tenacity to get her life back and find the real story. Soon she has evidence that casts everything she and Zeke thought they knew in doubt and puts them on the same team. Nothing will stop Kennedy from exposing the truth. Not losing her career, being personally exposed, or a cost far more than she ever imagined. *Three Plays of Maureen Hunter* Hunter, Maureen, 2003 Book is clean and tight. No writing in text. Like New. *The Bookshop Book* Jen Campbell, 2014-10-02 Every bookshop has a story. We're not talking about rooms that are just full of books. We're talking about bookshops in barns, disused factories, converted churches, and underground car parks. Bookshops on boats, on buses, and in old run-down train stations. Fold-out bookshops, undercover bookshops. This is the best place I've ever been to bookshops. Meet Sarah and her Book Barge sailing across the sea to France, meet Sebastien in Mongolia who sells books to herders of the Altai mountains, meet the bookshop in Canada that's invented the world's first antiquarian book vending machine. And that's just the beginning. From the oldest bookshop in the world to the smallest you could imagine, *The Bookshop Book* examines the history of books, talks to authors about their favourite places, and looks at over three hundred weirdly wonderful bookshops across six continents. Sadly, we've yet to build a bookshop down in the South Pole. *The Bookshop Book* is a love letter to bookshops all around the world. A good bookshop is not just about selling books from shelves but reaching out into the world and making a difference. David Almond. *The Bookshop Book* includes interviews and quotes from David Almond, Ian Rankin, Tracy Chevalier, Audrey Niffenegger, Jacqueline Wilson, Jeanette Winterson, and many many others. **Snapshot** Sean Morgan, 2004-04-01

Excerpt and description can be found at <http://snapshotnovel.co> **Snapshot** Garry Disher, 2007-07-01 It takes months for Australian social psychologist Janine McQuarrie to succumb to her husband's pressure to attend spouse swapping parties but eventually she gives in. Then driving with her young daughter one day she gets out of her car to ask directions and is shot and killed. The little girl escapes when the gunman's pistol misfires. Inspector Hal Challis of the Crime Investigation Unit is assigned the case but his efforts are thwarted by his boss. The dead woman was Superintendent McQuarrie's daughter-in-law and he seems to be more interested in protecting his son than in finding his daughter-in-law's murderer. Who might have a motive to kill this attractive young wife and mother? One of her clients? One of the swingers she'd gotten together with at a party? Or the obvious suspect, her husband?

Herbert Huncke Hilary Holladay, 2015-08-01 Often overlooked as a minor player on the fringes of the Beat Generation and largely dismissed by others as a scam artist, junkie, and hustler, Herbert Huncke was in fact a significant writer who served as a mentor and inspiration to such legendary figures as Allen Ginsberg, William Burroughs, and Jack Kerouac. In this biography, author Hilary Holladay has given this unsung poet of the streets his due both in terms of his own literary merit and the major role he played in influencing the Beats and many others. Detailing Huncke's colorful life from his childhood on a Wyoming rancher's household and his family's move to Chicago to his rebellion as a 12-year-old runaway and his subsequent run-ins with the law, Holladay traces his journeys that subsequently took him to Manhattan where he became a guide to the city's underbelly for those impressionable adventurers seeking the pulse of the city's palpitating literary, artistic, and musical heart. Nominated for a Lambda Literary Prize when first published, this work establishes Herbert Huncke in the pantheon of the writers of his generation. With revised endnotes and a new index, the book confirms Huncke's creative influence from the late 1940s to his death in 1996.

The Farmer, the Gastronomer, and the Chef Daniel J. Philippon, 2024-08-15 The role of food writing in the sustainable food movement. At turns heartfelt and witty, accessible and engaging, *The Farmer, the Gastronomer, and the Chef* explores how Wendell Berry, Carlo Petrini, and Alice Waters have changed America's relationship with food over the past fifty years. Daniel Philippon weighs the legacy of each of these writers and activists while planting and harvesting vegetables in central Wisconsin, speaking with growers and food producers in northern Italy, and visiting with chefs and restaurateurs in southeastern France. Following Berry, Petrini, and Waters in pursuit of his own ideal meal, Philippon considers what a sustainable food system might look like and what role

writing can play in making it a reality Warning of the dangers of agristalgia Philippon instead advocates for a diverse set of practices he calls elemental cooking which would define sustainable food from farm to table while also acknowledging the importance of seeking social justice throughout the food system A rigorous yet generous appraisal of three central figures in the sustainable food movement The Farmer the Gastronomer and the Chef demonstrates how the written word has the power to change our world for the better one ideal meal at a time *Independent Publisher*, 1998 **Not of This World** Jeff

Coleman, 2020-12-05 Below a drab and dreary office in a park there stands a tree A sprawling oak gnarled and ancient she lies in wait for one who is lost She is patient and she is persistent for she knows that someday the one she searches for will hear her call and answer Above a verdant sunlit park in an office there sits a woman Driven and motivated Diane excels at everything she does But she is haunted and she is restless for no matter how successful she becomes she cannot find a place in the world where she belongs Now after years of dissatisfaction Diane hears the tree speak At first she thinks it's her imagination but she discovers soon enough that other powers are at work As Diane's life is upended by a celestial mystery that threatens to undermine her very sense of self one thing becomes clear Diane is not of this world *The Grim Pig*

Ubiquity Jacob W. Lewis, Kyle Parry, 2021-12-15 From its invention to the internet age photography has been considered universal pervasive and omnipresent This anthology of essays posits how the question of when photography came to be everywhere shapes our understanding of all manner of photographic media Whether looking at a portrait image on the polished silver surface of the daguerreotype or a viral image on the reflective glass of the smartphone the experience of looking at photographs and thinking with photography is inseparable from the idea of ubiquity that is the apparent ability to be everywhere at once While photography's distribution across cultures today is undeniable the insidious logics and pervasive myths that have governed its spread demand our critical attention now more than ever
