T.

Wallenda,2025-01-13 In the midst of the inhuman and brutal battle for Stalingrad German and Russian snipers roam the ruins like angels of death spreading fear and terror Katja Kalikova lost her husband to German bombs and her youngest son Boris to a Soviet bullet Since then she and her 8 year old son Grisha have been fighting for their daily survival Major Erwin Koenig is an officer in the Wehrmacht and was stationed in Stalingrad When his son Rolf is also sent to Stalingrad and falls victim to Russian snipers Koenig has only one goal left To avenge his son s death the former sniper instructor sets his sights on living Russian sniper legend Vasily Saizhev Koenig blazes a bloody trail through dying Stalingrad quickly turning from hunter to hunted When Katja and Major Koenig s paths fatefully cross they make a pact to defeat Saizhev The fate of the soldiers fighting in Stalingrad as well as that of the Russian civilians forced to remain in the city is portrayed bleakly coldly and without pathos A few exemplary original photos from the Second World War and accompanying drawings illustrate the Battle of Stalingrad and the legendary sniper duel between Saizhev and Koenig *Inside the Crosshairs* Col. Lanning,2013-06-19 The American sniper could be regarded as the greatest all around rifleman the world has ever known At the start of the war in Vietnam the United States had no snipers by the end of the war Marine and army precision marksmen had killed more than 10 000 NVA and VC soldiers the equivalent of an entire division at the cost of under 20 000 bullets proving that long range shooters still had a place in the battlefield Now noted military historian Michael Lee Lanning shows how U S snipers in Vietnam combining modern technology in weapons ammunition and telescopes used the experience and traditions of centuries of expert shooters to perfect their craft To provide insight into the use of American snipers in Vietnam Lanning interviewed men with combat trigger time as well as their instructors the founders of the Marine and U S Army sniper programs and the generals to whom they reported Backed by hard information and firsthand accounts the author demonstrates how the skills these one shot killers honed in the jungles of Vietnam provided an indelible legacy that helped save American lives in Grenada the Gulf War and Somalia and continues to this day with American troops in Bosnia **The**

Sex Fiends, Perverts, and Pedophiles Chrysanthi S. Leon, 2011 From Megan OCO's Law to Jessica OCO's Law almost every state in the nation has passed some law to punish sex offenders This popular tough on crime legislation is often written after highly publicized cases have made the gruesome rounds through the media and usually features harsh sentences lifetime GPS monitoring a dramatic expansion of the civil commitment procedures and severe restrictions on where released sex offenders may live In *Sex Fiends Perverts and Pedophiles* Chrysanthi Leon argues that while the singular notion of the sexual boogeyman has been used to justify these harsh policies not all sex offenders are the same and such one size fits all OCO policies can unfairly punish other offenders of lesser crimes needlessly targeting sometimes ostracizing citizens from their own communities While many recognize that prison is not the right tool for every crime problem Leon compellingly argues that the U S maintains a one size fits all approach to sexual offending which is undermining public safety Leon explains how we OCOve reached this point OCOwith a large incarcerated sex offender population many of whom will be released in the coming years with multiple barriers to their success in the community and without much expertise to guide them or to guide those who are charged to help them Leon argues that we cannot blame the public nor even the politicians except indirectly Instead we might blame the institutions we charge with making placement decisions and with the experts OCOboth those who have chosen to work in the field and those who have caused its marginalization Ultimately Leon shows that when policies intended for the worst offenders take over all of us suffer
