chase trapping her on a cliff She tries to roll a boulder over them but before she can do so lightning strikes the cliff causing her to fall to her death The dwarfs return to their cottage and find Snow White seemingly dead being kept in a deathlike slumber by the poison Unwilling to bury her out of sight in the ground they instead place her in a glass coffin trimmed with gold in a clearing in the forest Together with the woodland creatures they keep watch over her A year later a prince who had previously met and fallen in love with Snow White learns of her eternal sleep and visits her coffin Saddened by her apparent death he kisses her which breaks the spell and awakens her The dwarfs and animals all rejoice as the Prince takes Snow White to his castle
