

## The Snowbird

When all the ground with snow is white,  
The merry snowbird comes,  
And hops about with great delight  
To find the scattered crumbs.  
How glad he seems to get to eat  
A piece of cake or bread!  
He wears no shoes upon his feet,  
Nor hat upon his head.  
But happiest is he, I know,  
Because no care with bars  
Keeps him from walking on the snow  
And printing it with stars

poetiest of moderns but in fact most of the lines herein actually can be scanned and many do even rhyme sometimes obviously sometimes merely hinted at in surprising ways recalling Wallace Stevens's remark that one writes poetry out of a delight in the harmonious and orderly one will find here blank verse heroic couplets a touch of ottava rima numerous sonnets of various styles even just for fun a limerick and a finicky double dactyl also some rowdy cowboy poetry and other diverse schemes nearly as numerous as the pages herein      **Autumn Leaves** Mary Bassett Clarke, 1895      **Animated Stills** Thomas G. Reischel, 2019-10-01 This book is an Inspiration of Life from photographs As a photographer I roam around and take pictures of many things Some of those pictures contain images where I see something in them As a Poet this sparks my imagination my Muse to poetically interpret that something into action So a poem is born I write about it and ask the readers if they see it too That is the basis of this book of Animated Stills The stills part comes from the photograph The animated portion is where poet brings the perceived image to life for the reader Animated stills are poems where inanimate objects take on human animal or spirit forms traits or articles They are derived from Photographs I have taken that have moved me to write a poem associated with it I believe that photography and poetry go together well One form paints a visual picture while the other creates a poetic image Together the synergy becomes very powerful At least that is what I hope I have achieved here Here is an excerpt from Poem 26 Firebird from which the cover photo is taken      *"A" New English Dictionary on Historical Principles* William A. Craigie, James Augustus Henry Murray, 1919      **Favorite Poems of Childhood** Philip Smith, 1992-09-18 A collection of familiar poems for and about children by such authors as Robert Louis Stevenson Christina Rossetti Eugene Field and Sarah Josepha Hale
