Imagining the Kingdom (Cultural Liturgies) James K. A. Smith, 2013-02-15 2013 Word Guild Award Academic How does worship work How exactly does liturgical formation shape us What are the dynamics of such transformation In the second of James K A Smith's three volume theology of culture the author expands and deepens the analysis of cultural liturgies and Christian worship he developed in his well received *Desiring the Kingdom* He helps us understand and appreciate the bodily basis of habit formation and how liturgical formation both secular and Christian affects our fundamental orientation to the world Worship works by leveraging our bodies to transform our imagination and it does this through stories we understand on a register that is closer to body than mind This has critical implications for how we think about Christian formation Professors and students will welcome this work as will pastors worship leaders and Christian educators The book includes analyses of popular films novels and other cultural phenomena such as *The King's Speech* *Rise of the Planet of the Apes* David Foster Wallace's *Infinite Jest* and Facebook **You Are What You Love** James K. A. Smith, 2016-03-29 Christianity Today Book Award Winner Martin Institute and Dallas Willard Center Book Award You are what you love But you might not love what you think In this book award winning author James K A Smith shows that who and what we worship fundamentally shape our hearts And while we desire to shape culture we are not often aware of how culture shapes us We might not realize the ways our hearts are being taught to love rival gods instead of the One for whom we were made Smith helps readers recognize the formative power of culture and the transformative possibilities of Christian practices He explains that worship is the imagination station that incubates our loves and longings so that our cultural endeavors are indexed toward God and his kingdom This is why the church and worshiping in a local community of believers should be the hub and heart of Christian formation and discipleship Following the publication of his influential work *Desiring the Kingdom* Smith received numerous requests from pastors and leaders for a more accessible version of that book's content No mere abridgment this new book draws on years of Smith's popular presentations on the ideas in *Desiring the Kingdom* to offer a fresh bottom up rearticulation The author creatively uses film literature and music illustrations to engage readers and includes new material on marriage family youth ministry and faith and work He also suggests individual and communal practices for shaping the Christian life *The Caxton Novels: What will he do with it?* Edward Bulwer Lytton Baron Lytton, 1892
