So Lost And So At Home:

The Soul of Jerusalem Rabbi Shlomo Katz,2014 There is a little land In that little land there is a little city In that city there is a little street and on that street there is a little wall When you stand by that Holy Wall you can hear the footsteps of our father Abraham and you can hear the trumpet of the Great Day to come You hear the past and you can hear the future You can hear the singing of the Levites Or you can hear us crying going into exile You can hear the six million crying out of the gas chambers and you can hear the trumpet of the Great Day to come I was standing one early morning by the Holy Wall and I was saying Kaddish for my father But when you stand by that Holy Wall you say Kaddish for the whole world Sometimes you feel like saying Kaddish for your own soul and sometimes you feel like saying Kaddish for tomorrow Then you hear the words Yisgadal V yiskadash Shmei Raba May G d s Name become great and sanctified and you remember there is one G d and you know that the Great Morning is coming You know that day and night will get together The living and the dead we and the whole world This is my song the song of tears because on that Great Day the tears will march through the world and the whole world will join them The tears will clear the world and prepare the world Everything will come together We will all come together It will be a new morning a new beginning In this remarkable and life changing work the reader is transported to the Holy Temple in Jerusalem to be inspired by the teachings of Rabbi Shlomo Carlebach zt l Masterfully adapted by Rabbi Shlomo Katz renowned musician and creator of the best selling and acclaimed *The Soul of Chanukah* Teachings of Rabbi Shlomo Carlebach these teachings touch the soul *Belchamber* Howard Overing Sturgis,2015-02-22 In his remarkably interesting novel Howard Sturgis with a skilful touch describes life in the rich and self indulgent aristocratic society It traces the career of a young man Sainty brought up in the midst of great luxury Indecision of character is the weakness of Sainty He allows himself to become the prey of a scheming mother and her worthless daughter and in spite of the tremendous advantage of his wealth and position and a strong desire to benefit his fellow men he never accomplishes anything Sainty is the victim of his surroundings he makes a few ineffectual struggles before the waters of adverse circumstance close over him Most of the men and women described in *Belchamber* are hard and grasping if not distinctly vicious and yet the variety shown is endless The book is extremely well written showing marked skill in the delineation of character Mary K Ford
