Mummy, Take Me Home David Leslie,2011-04-29

Mummy take me home sobbed little Jasmine Chapman as she was ripped from her mother's arms But there was nothing that Morag could do except continue to fight for custody of the child she loved so much When their relationship ended Jasmine's parents argued bitterly about her future But they were unable to come to an amicable agreement and a UK court ruled that the case be heard in the US the home of Jasmine's father Fearing that she would lose her child Morag fled from Texas with her daughter only to be hauled back in shackles and incarcerated in a grim American prison When Morag was eventually freed and awarded custody of her little girl she thought her nightmare was over However back in the UK every move she made was watched and every mistake recorded Morag sank into deep depression and became lost in a haze of alcohol and drugs The once beautiful and desirable young woman found her life spiralling out of control Eventually she lost the daughter she had fought so hard to keep Mummy Take Me Home is the gripping and disturbing true life story of a tug of love that no mother should ever face and no child should be forced to endure
