## So Small A World:

The Port Royal Logic, Translated from the French; with Introduction, Notes, and Appendix, by T. S. Baynes ... Second Edition, Enlarged Antoine Arnauld, 1851      Live Mary Ann Rivers, 2014-01-21 Mary Ann Rivers kicks off a new contemporary romance series sure to please readers of Ruthie Knox Kristan Higgins and Jill Shalvis where love can be found unexpectedly If there s an upside to unemployment Destiny Burnside may have found it Job searching at her local library in Lakefield Ohio gives her plenty of time to ogle the hottest man she has ever laid eyes on the sexy wood carver who s restoring the building But as the rejection letters pile up Destiny finds an unexpected shoulder to cry on With his rich Welsh accent Hefin Thomas stirs Destiny so completely that even though he s leaving soon she lets herself believe the memory of his scorching kisses will be enough Hefin can t help but notice the slender confident woman with ginger hair who returns each day so hopeful and determined So when the tears start to fall his silence penance for a failed marriage finally cracks Once he s touched her what Hefin wants is to take her back to Wales and hold her forever But Destiny s roots run too deep What they both need is each other to learn how to live and love again Praise for Live Sizzling sweet and superbly written Live is a marvelous love story New York Times bestselling author Grace Burrowes A beautiful aching exploration of love family and loss highly recommended USA Today bestselling author Ruthie Knox Such an elegantly layered story Dear Author The romance in this book is super hot Such care is taken to craft the characters lives Just when things get really heavy there is naughtiness in a batting cage and sex in a limo And Hefin with his stubble and curls about his ears make things very steamy and put a smile on my face He is such a good guy and just what Des needed Smexy Books Live blooms with the freshness of thoughtful storytelling carefully tended by beautiful prose Rivers is actively staking new lyrical ground in a genre often sidelined as a guilty pleasure There s no need to choose between heat and good writing From this author readers get a two for one deal New York Journal of Books Mary Ann Rivers s debut full length Live will make you curl up with your box of tissues and cry until you re not even sure whether they count as happy or sad tears Rivers s world and characters feel so real their emotions so raw that I need the almost poetic beauty of the words to bear so much truth Heroes and Heartbreakers This is a rich tender story not at all the usual contemporary family series fare I m looking forward to seeing where life takes the Burnside siblings next Karen Knows Best Rivers has written a remarkable romance novel beautifully written tormented as only youth can be serious as only the un ironic are Miss Bates Reads Romance Emotionally enthralling intense complicated lyrical passionate Straight Shootin Book Reviews A stellar start to a new series that is so compelling and emotional the characters won t soon be forgotten The Window Seat on a Rainy Day Includes a special message from the editor as well as an excerpt from another Loveswept title      *Changing Connectomes* Marcus Kaiser, 2020-09-08 An up to date overview of the field of connectomics introducing concepts and mechanisms underlying brain network change at different stages The human brain undergoes massive changes during its development from early childhood and the teenage years to adulthood and old age

Across a wide range of species from *C. elegans* and fruit flies to mice monkeys and humans information about brain connectivity connectomes at different stages is now becoming available New approaches in network neuroscience can be used to analyze the topological spatial and dynamical organization of such connectomes In *Changing Connectomes* Marcus Kaiser provides an up to date overview of the field of connectomics and introduces concepts and mechanisms underlying brain network changes during evolution and development Drawing on a range of results from experimental clinical and computational studies Kaiser describes changes during healthy brain maturation and during brain network disorders including such neurodevelopmental conditions as schizophrenia and depression brain injury and neurodegenerative disorders including dementia He argues that brain stimulation is an area where understanding connectome development could help in assessing long term effects of interventions *Changing Connectomes* is a suitable starting point for researchers who are new to the field of connectomics and also for researchers who are interested in the link between brain network organization and brain and cognitive development in health and disease Matlab Octave code examples available at the MIT Press website will allow computational neuroscience researchers to understand and extend the shown mechanisms of connectome development

**Sense of Place and Sense of Planet** Ursula K. Heise,2008-09-29 Sense of Place and Sense of Planet analyzes the relationship between the imagination of the global and the ethical commitment to the local in environmentalist thought and writing from the 1960s to the present Part One critically examines the emphasis on local identities and communities in North American environmentalism by establishing conceptual connections between environmentalism and ecocriticism on one hand and theories of globalization transnationalism and cosmopolitanism on the other It proposes the concept of eco cosmopolitanism as a shorthand for envisioning these connections and the cultural and aesthetic forms into which they translate Part Two focuses on conceptualizations of environmental danger and connects environmentalist and ecocritical thought with the interdisciplinary field of risk theory in the social sciences arguing that environmental justice theory and ecocriticism stand to benefit from closer consideration of the theories of cosmopolitanism that have arisen in this field from the analysis of transnational communities at risk Both parts of the book combine in depth theoretical discussion with detailed analyses of

novels poems films computer software and installation artworks from the US and abroad that translate new connections between global national and local forms of awareness into innovative aesthetic forms combining allegory epic and views of the planet as a whole with modernist and postmodernist strategies of fragmentation montage collage and zooming
