Sanders,2015-10-31 *Where Did My Life Go Homeless and Out of Business* is by far one of the most raw powerful and engaging reads that I've come across in a long long time Author K D Sanders offers readers a very personal and unaltered look into his life thoughts and feelings as he underwent some very rough times as a homeless man while experiencing that many of us will never even come close to in our ordinary lives I say this and the book may seem quite gloomy at first but I also would say there's another side to it I interpret the book as having a sort of theme about personal redemption and keeping headstrong even through all the bad things that life can throw at you The author manages to keep his spirits high even while dealing with unfortunate circumstances and for that I admire his courage As well as this the text is written in a way that flows nicely due to a relatively relaxed undertone and there are plenty of general musings about the author's opinion on homeless life in general that I found to be very thought provoking and even sobering at times Overall I enjoyed the read and I found it to be honestly quite refreshingly new compared to what I've been coming across these days Definitely worth checking out Amazon Review      **Your Life Is a Book - And It's Time to Write It!** Kevin Quirk,2011-04 Do you have a story that you just have to tell Do you seek to preserve your life history as a gift for loved ones or to pay tribute to those who have meant the most to you Do you yearn to write about one major life experience to inspire others You're not alone The desire to write our life story is a timeless universal urge Somewhere inside us we know that writing a book about our life will touch those we love while enriching our lives in today's cell phone laptop lifestyle Life is a book and women and men from 19 to 99 are hearing the call to write it Someone is waiting to hear you tell your life story who you are how you've lived what you've learned They want to hear all the stories that have shaped your life *Your Life Is a Book And It's Time to Write It* An A to Z Guide to Help Anyone Write Their Life Story will take you on the journey of creating your memoir autobiography or life story It doesn't matter how old or how young you are or whether you've written a lot a little or not at all Through practical tools lively writing exercises engaging questions and helpful illustrations you'll receive the guidance and encouragement you need from an expert life writing teacher Start writing your life story today Kevin Quirk M A has been helping ordinary people of all ages and backgrounds write their life stories as ghostwriter personal historian and Writing Your Life Story teacher since 1998 A former journalist and founder of Life Is a Book he is coauthor of *Brace for Impact* *Miracle on the Hudson* *Survivors Share Their Stories of Near Death and Hope for New Life*      **Bookseller and the Stationery Trades' Journal** ,1888      *The Life We're Living* Andrew Zackery,2017-10-16 First let me say to everyone out there that my reason for writing this book came from all those experiences I faced throughout my lifetime here on earth So therefore I was inspired to share my thoughts with my readers leaving no stones unturned and being direct to the point as I see things The title to my book is *The Life We're Living* and there is no fiction throughout my book It contains our everyday life experiences as I deemed them to be nothing more Reality just happens to be everything this book consists of I'm more
