Quinn,2002 Publisher Description *Rondo Soccer Drills* Chest Dugger,2021-06-12 Have you wondered how Pep Guardiola s teams have dominated European leagues for the last two decades Not only is the answer simple it s something that you can use to take your game and your team s game leagues above your opposition The key to Pep s success at Barcelona and Manchester City is the Rondo Rondos have transformed modern football Not only have Rondos helped Pep dominate European football they ve helped turn the Spanish national team into the best in the world The system behind Rondos was the beating heart of the brilliant Barcelona teams which dominated Europe for a decade from 2005 They made soccer even more exciting to watch improving players technical ability and creating a proper total football in the European sense game Their approach was reminiscent of the fantastic Ajax team of the 1970s and the great Dutch teams of that era They led to the excitement of the high press and the thrilling soccer which follows when the press is defeated They proved the benefit of technique over physical prowess So what is this miracle of the training pitch which has so transformed the game of soccer The beauty of the rondo is its simplicity It is a drill where the objective is to retain possession As rondo drills become more complex this aim might develop It might be about keeping possession in transition or maintaining possession to create a goal scoring opportunity However at its heart is the objective

of one side keeping hold of the ball A second key element of a rondo is that the sides are uneven One team has extra players It can take a form as exaggerated as 10 v 1 or as close as 5 v 4 However the point is that some pressure is applied but not so much as to make the drill difficult to perfect Thus confidence grows and in turn touch and vision A rondo is usually a drill that takes place in a limited space typically a circle square or rectangular grid Thus first and second touches are perfected because there is not much time to take many touches Finally and crucially rondos are drills that are fast and fun They involve lots of touches for the players in possession and a real sense of achievement on the rare occasions that the smaller side actually wins back the ball So simple Yet so effective This coaching book celebrates the rondo and offers drills tactics and coaching techniques to help soccer players at any level from the unbounded enthusiasm of Under 6s to the worldly view of veteran teams From the pub side who turn out on a Sunday morning cooked breakfast weighing heavily on their hangover infused stomachs to the champion youth team of the region We can all improve as coaches and players The rondo is the system that enables progress to happen more quickly and efficiently than any other soccer coaching strategy Even if you haven't heard of Rondos before you'll gain a lot from this book Order Now **Youth Soccer Drills, 3E** Garland, Jim, 2014-04-16 Youth Soccer Drills Third Edition presents 100 drills and games for developing skills in dribbling passing collecting heading and shooting All are easy to follow with clear descriptions and kid friendly field diagrams making them easy for coaches to teach and players to understand Sample practice plans variations and coaching tips are included

**Soccer Training** Dylan Joseph, 2018-05-17 If you are NOT interested in being a better player coach or parent of a soccer player this book is NOT for you With game proven methods to score more against any team this is your manual for success How teams play is unpredictable or is it Through countless hours of practice training and experience soccer's elite have shown consistent patterns of in game skills that when applied will lead to very predictable outcomes more goals more assists and more wins Learn the keys to being a better soccer player through warm ups instructional drills and exercises to sharpen your skills that take advantage of the human anatomy an unshakable mindset and proper form for all areas of soccer In Soccer Training there are 14 chapters with well over 100 tips from scoring to defending fitness to nutrition and on the field tactics to boosters for your free time Each is broken down in a way that answers the question How can I use these steps to prepare for and use during every game that I play Learn what coaches do not teach not because they do not care but because they just don't know Often coaches emphasize the team's abilities while giving little to no time and minimal volume to the skills of each individual It is just as essential to develop the players within the system This book is a high level overview of the areas that can take a player from being a bench warmer to MVP In a day and age where many so called experts advice is to improve your conditioning get more touches try harder and you need to want it more this book stands out on delivering the steps to turn any player into a great performer Who this book is for The defender who does not know which direction to push an attacker or how to position their body correctly The midfielder who does not get enough assists and is not considered to be the team's playmaker The striker attacker forward who does not score at least 2 goals a game The soccer player who needs a surefire confidence boost that can only come from game ready knowledge The parent who loves their child playing such a beautiful sport but hates to see them struggle with a lack of confidence in what to do The coach who only focuses on team drills but knows that their squad can go further if their shooting power passing form and foot skills improved through the correct methods and increased IQ Outcomes of applying the facts in this book Understand how to beat a defender every time plus a few skills to avoid Condition your mindset to become one of a winner Remove the toxic habits you need to break Correctly understand soccer to unlock everything you need to know about for every age including boys girls kids teens young adults men and women You may ask why should I order this book versus watching free YouTube videos Well though YouTube can be used to supplement this book because videos show visual representations of the skills covered each video is often

unorganized and the order in which you watch the videos is NOT structured at all This book provides that structure to ensure that you are not just getting a little information in one spot and some knowledge in another without being able to understand the entire picture of how it all works together It gives every player the ability to walk onto a field and know that 1 your team will win and 2 you will lead them to victory The skills you develop will move you forward in your playing career Soccer Training contains the facts that will empower every player trainer mom and dad Please note this is not a picture book It is time for hours of SOCCER TRAINING to pay off Become the player coach or parent that changes every game from here on out Pick up your copy today by clicking [BUY NOW](#) Soccer Drills: A 100 Soccer Drills to Improve Your Skills, Strategies and Secrets Chest Dugger,2017-12-22 Are you ready to take your soccer game to the next level Or just looking for ways to improve your team This book can help solve your problems **Basic Soccer Skills Guide** Andre Gorzynski,2012-12-20
