Create a World Class Soccer Defense Chest Dugger, 2019-10-15 Do you want to learn how to improve your defensive game? Or looking for ways to solidify your team's defense? This book is your answer. As was said by a great soccer manager, "Offense wins games, defense wins titles." This is the case with every level of the professional and amateur game in all countries across the globe. Although there is a correlation between scoring the most goals and winning leagues, it does not seem to be quite as strong as having a watertight defense. So we might conclude that while scoring goals thrills the crowd and helps a team to win, to be a champion it is even more important that the defense is as strong as it can possibly be. We hope that we have made our case. Defense is key to a team's success. But there is another important reason for this coaching book on a team's defensive unit. We can coach
