Social Change In The Law Of Trusts:

Social Change in the Law of Trusts George William Keeton, 1974-01-14 A collection of essays on the problems created in the Law of Trusts by social changes in England

Social Change in the Law of Trusts George Williams Keeton, 1958 **Moffat's Trusts Law** Jonathan Garton, Rebecca Probert, Gerry Bean, 2020-05-14 Always the serious student's choice for a Trusts Law textbook the new seventh edition of Moffat's Trusts Law once again provides a clear examination of the rules of Trusts retaining its hallmark combination of a contextualised approach and a commercial focus The impact of statutory developments and a wealth of new cases including the Supreme Court and Privy Council decisions in *Patel v Mirza* 2016 UKSC 42 *PJS v News Group Newspapers Ltd* 2016 UKSC Burnden Holdings v Fielding 2018 UKSC 14 and *Federal Republic of Brazil v Durant* 2015 UKPC 35 are explored A streamlining of the chapters on charitable Trusts better to align the book with the typical Trusts Law course helps students understand the new directions being taken in the areas of Trust Law and equitable remedies **Trusts Law** Graham Moffat, Gerard M. D. Bean, Rebecca Probert, 2009-09-03 This classic textbook brings a modern perspective to the study of the law of equity Its hallmark contextualized approach and commercial focus will help students understand the subject and the authors commentary on the factors informing trusts law allows students to confidently grapple with complex ideas

Understanding Equity & Trusts Alastair Hudson, 2008 Understanding Equity Trusts provides an accessible readable and comprehensive overview of the main themes in this dynamic area of the law It will be of interest to students struggling to cope with the increasingly complex field of trusts law and to those revising for exams **Mediation in the Reflection of Law and Society** Lenka Holá, Miloš Večeřa, Martina Urbanová, Jan Holas, David Fiedor, 2021-12-08 Despite slow progress in use mediation continues to consolidate its presence in dispute resolution This important book argues that a more favourable socio legal climate must be created for mediation to thrive and accordingly analyses the legal cultural social systemic and spatial aspects of the use of mediation in the legal practice of the different countries of the European Union EU Based on a spatiotemporal analysis and models of mediation in the EU it pinpoints the social and cultural reasons for the fragmentation of its legal regulation and shows what paths are available to promote the effective implementation of mediation in social practice It is the first book to capture the socio legal context of mediation A spatiotemporal analysis of the extent of use of mediation in a region as large and at the same time as diverse as the EU has never been carried out before Using various methodological and conceptual approaches to analyse the legal and social aspects of introducing mediation to legal systems the authors all with long term experience in the exercise and research of mediation directly in the field provide invaluable insights into such facets of the use of mediation as the following the social context that raises the need for mediation obstacles to the wider use of mediation in resolving disputes between parties the effects of social influences reflected in legislation that shape the laws of each country the basic models that make up the system of access to mediation in specific

EU Member States the role of law as a tool for social change and its reflection in the legal regulation of mediation and perspectives for further development of mediation in the EU The legislative efforts proposed to enhance the regulation of mediation in EU countries are based on modern knowledge of law sociology and psychology As a unique combination of exploration of the theoretical determinants of mediation and an empirical study of the extent of its use in the European area this book s fundamental contribution to the legal theory and practice of mediation is inarguable Its analysis of mediation from three perspectives as a means of improving citizens access to justice as a means of applying social justice in society and as a means of restorative justice are of the utmost value in today s global society For users of mediation EU institutions involved in mediation EU Member State authorities addressing the issue of mediation and the wider dispute resolution community worldwide the book will be welcomed for the giant steps it takes toward refining arguments for the promotion of mediation and its development in theory research and practice
