Social And Cultural Perspectives On Blindness Barriers To Community Integration Paperback:

Social and Cultural Perspectives on Blindness C. Edwin Vaughan,1998 SOCIAL AND CULTURAL PERSPECTIVES ON BLINDNESS C. Edwin Vaughan,Fredric K. Schroeder,2018-03-01 The central idea of this book is that blindness itself results in no particular social arrangement as a cultural pattern People are socialized to expect ideas about appropriate behavior for blind people and these vary from culture to culture The descriptions of blindness in several different cultures are the authors firsthand observations as outsiders visiting different cultures interviewing individuals as well as extensive reviewing of written sources The text describes different perspectives regarding blindness and the social arrangements created for and by blind people The viewpoints of blind people themselves receive prominent attention in the book The text is critical in its perspective Its purpose is to analyze patterns of domination and subordination as they take various forms in different cultures including physical condition Major discussions include Why study rehabilitation and blindness from a cross cultural perspective Cultural perspectives on blindness Producing new images about blindness Blindness in the United States From isolation to full inclusion Blindness in Africa Blind people in the Middle Kingdom and the People s Republic of China Spain s unique Organizacion Nacional de Ciegos Espanoles and the Changing culture of blindness around the world The book strives to contribute to the social sciences and the study of behavior that is considered deviant or different It also seeks to stimulate interest in cross national and cross cultural studies of blindness and contributes to the development of a broader and richer understanding about blindness for those who provide education rehabilitation and employment services Finally the book strives to aid blind people who are reflective about their own situation and who are working to make it better **Cultural Diversity, Inclusion and Justice** George Henderson,2020-05-18 This book is not an impersonal academic treatise on social justice activism but instead the author s description of what social justice activism has looked like through the prism of his eyes The methods of the book are straightforward using historical current and personal data all of which were inextricably entwined The text focuses on the truth that bigotry is perpetuated by countless white black and brown people More important than academic debates about bigotry the book is about negating or preventing bigotry The author reviews historical incidents and also tells portions of his own life stories His goal is to help readers know his perceptions of bigotry and then compare and contrast his perceptions with their own The text is organized in major topics Beginnings of Bigotry Creation of a Nation Migrants Immigrants and Slaves Quest for Civil Rights Women s Rights Movement Disability Rights Movement Elder Rights Movement LGBTQ Rights Movement Social Class Matters and Going Forward This book is written to be actively read and to initiate meaningful conversations about social justice The primary audiences for the text are college students who are majoring in social and behavioral sciences social work and health care The book will also be a valuable resource to teachers community activists and other persons who want to enhance their knowledge of racism sexism homonegativity ableism ageism xenophobia and classism *Ferguson Career Resource Guide for People with*

Case Studies for Inclusion in Education Keith Storey, 2020-07-20 This book responds to a critical need for highly qualified personnel who will become exemplary professionals in inclusive education for students with disabilities because of their advanced knowledge skills and experiences in working with students with varying disabilities It will serve as a guide for teachers teachers in training and other service providers to engage in understanding and analyzing inclusion to help prepare them for how they can best teach and serve all students including those with a disability These case studies provide a guide for analyzing real life situations and will help readers to become a better teacher and service provider Too often the inclusion planning process only looks at a few areas and not a comprehensive analysis of skill and support needs This book provides the framework for analyzing these areas It is written in a non technical style and provides case study examples and guides for assisting readers in analyzing and understanding appropriate supports and interventions

for inclusion Readers will appreciate the provision of a system for teachers teachers in training and others school psychologists behavior specialists classroom assistants etc to analyze inclusion and to understand how supports and instruction can be used to best educate students with disabilities The exploration of inclusion needs to be situated within a context which in this book is the use of the case studies for understanding and analysis An advantage of this book is that universities school districts and organizations preparing teachers can easily use it in courses or trainings that address inclusive education as the case studies comprehensively cover methodology and issues that represent best practices and evidence based methods in this area Those who are already teachers or other support providers will find the case studies to be practical and helpful for increasing their skills in applied settings *Auditory Disorders in the Classroom* Alan

Gertner,2021-02-01 This book will provide school personnel with functional information and the necessary academic tools to manage the instructional needs of children with auditory disorders either peripheral hearing loss or auditory processing disorders Treatment strategies to help mitigate the detrimental effects of hearing disorders in the classroom are explored including the classroom conditions and barriers that impact children The book emphasizes the responsibility of educational personnel to recognize and identify the presence of an auditory deficit Signature topics include 1 classroom acoustics and the negative impact of noise reverberation and the signal to noise ratio 2 language development and hearing loss with an overview of the general trajectory of speech and language development 3 the importance of a team approach for aiding deaf and hard of hearing children including independent function work community contributions and support groups 4 auditory processing disorders and the assessment of APD intervention within environmental classroom modifications teacher modifications direct therapeutic intervention and neuroauditory training 5 the psychology of hearing loss in children and adolescents plus early detection of emotional issues that co exists and impacts school performance and 6 educational law including an overview of Section 504 the IDEA and the implementation of either the 504 Plan or the IEP and the knowledge that all children with disabilities are entitled to a FAPE The strategies and discussions in this comprehensive resource will be of special interest to speech language pathologists educational audiologists teachers for children with hearing loss and early intervention service providers and social workers *When You Can't Believe Your Eyes* Hannah Fairbairn,2019-07-05 This

book was first projected in 2004 when Author Hannah Fairbairn was teaching interpersonal skills at the Carroll Center for the Blind in Newton Massachusetts The experiences of her adult students and her own experience of sight lost convinced her that everyone losing vision needs access to good information about the process of adjustment to losing sight and practical ways to use assertive speech When You Can t Believe Your Eyes is intended for anyone going through vision loss their friends and families It will inform readers how to get expert professional help face the trauma of loss and navigate the world using speech more than sight Each of the twelve chapters in the book contain many short sections and bullet point lists intended to facilitate access to the right information It begins where you begin at the doctor s office or the hospital Since vision loss

takes many forms there are suggestions for questions you might ask to get a clear diagnosis and the best treatment Part One also has a description of legal blindness and possible prevention advice about your job and tips for life at home Part Two is about believing in yourself as you deal with the loss the anger and the fear before you come up for air and consider training Parts Three and Four describe using assertive speech and action in all kinds of settings as your independence and confidence increase Part Five gives detailed information about everything from dating and caring for babies to senior living volunteering and retaining your job It is hoped that by reading and trying out the suggestions the reader will recover full confidence become a positive assertive communicator and lead a satisfying life Because vision loss happens mostly in older years the book is written with seniors particularly in mind Professionals will also find it to be a useful resource for their patients
