Waller, 2012-02 The text before you is an effort by the author to identify the reasons why counseling fails He judged through his experience that too many counselees were simply walking away from counseling They stated there had been no growth or change only dissatisfaction with their life in Christ Thus there seemed to be a missing ingredient Following a study of the principal themes of Proverbs the author became certain about what was lacking He determined that his clients were working without The Fear of the Lord Their approach lacked a sincere reverence for God

and few desired to make Him preeminent Thus failure was certain The Fear of the Lord is the means by which wisdom knowledge and understanding is bestowed humility is gained and true charity becomes the practice of the Believer s life Not until one truly makes God preeminent does real biblical change sanctification satisfaction and true joy become possible
