*Skin Deep* Liz Conor,2016 *Skin Deep* looks at the preoccupations of European Australians in their encounters with Aboriginal women and the tropes types and perceptions that seeped into everyday settler colonial thinking Early erroneous and uninformed accounts of Aboriginal women and culture were repeated throughout various print forms and imagery both in Australia and in Europe with names dates and locations erased so that individual women came to be anonymized as gins and lubras The book identifies and traces the various tropes used to typecast Aboriginal women contributing to their lasting hold on the colonial imagination even after conflicting records emerged The colonial archive itself consisting largely of accounts by white men is critiqued in the book Construction of Aboriginal women s gender and sexuality was a form of colonial control and *Skin Deep* shows how the industrialization of print was critical to this control emerging as it did alongside colonial expansion For nearly all settlers typecasting Aboriginal women through name calling and repetition of tropes sufficed to evoke an understanding that was surface based and half knowing only skin deep Impressively researched written organized and presented highly recommended for community and academic library Aboriginal Studies Women s Studies Australian Studies and Colonial History reference collections Midwest Book Review MBR Bookwatch October 2016 Helen s Bookshelf Subject Cultural History Aboriginal Studies Women s Studies Australian Studies Colonial Studies      **Skin Deep** Lois Ruby,2015-07-21 An angry teenager is sucked into a gang of neo Nazis Dan shows up on his first day at a new school with long blond hair John Lennon glasses and a shy grin that makes every girl in the hallway swoon But he only has eyes for Laurel who s in his English class Laurel stirs feelings in Dan that he never knew existed and suddenly he understands love Soon he will understand hate as well When a gang of violent young men invades the annual Halloween party most of Laurel s friends stay away The men are white supremacists with shaved heads steel toed boots and a look in their eyes that says they re ready to fight But something in their attitude draws Dan toward them He s angry at the world and these skinheads seem to understand how he feels As he sinks deeper into their twisted world of hate and rage Dan risks losing not only Laurel but also his soul      Eating Pretty Elizabeth Karlsberg,1991 Advice for young girls on eating nutritionally not only for health but for beauty      **Feeling Fit** Alicia Martinez,1991 Provides tips on exercising nutrition and self esteem for girls ages ten to fourteen      Dream Rooms, Decorating with Flair Victoria Sherrow,1991 Presents tips for

Wright,2011-12-19 Every day people awake thinking they can do things their way Maybe you were on the right path with God and you turned away Suddenly things that were once going well now are going downhill Those who were your so called friends have turned their backs on you Why Because you lost everything when you placed someone or something ahead of God This includes your family I encourage people to write I have found it to be a form of therapy A way to express myself out loud This book represents a group of poems from my Spiritual Guidance Collection about my life that I experienced during the good and bad times Someone might say the poems are a conversation with God a form of prayer My hope is that everyone who reads this book will find their way back to God the Creator      Modern Applications to Group Work Kevin A. Fall,Justin E. Levitov,2001 The effectiveness of group counselling as a treatment modality has been well established And while additional theoretical work will always be needed perhaps the greater challenge for contemporary group practitioners lies in crafting theoretically sound applications of group theory so that group methods can be used more effectively to benefit clients struggling with various psychological and developmental problems This book responds to this need by offering fourteen chapters of creative useful examples of how group methods can be successfully applied to a wide range of problems and populations Each chapter written by innovators from the fields of counselling social work psychology and psychiatry focuses on specific mental health problems of issues that will interest a wide population A careful analysis of each psychological or development problem greets the reader followed by a discussion of the theoretical basis for the interventions Each chapter utilises practical recommendations outlines of procedures and liberal use of case examples to illuminate important process points Each broad

category Adults Children and Adolescents and Training and Theory includes interesting chapter topics such as Group counselling with late deafened adults Marital restoration groups Therapist s uses of self in group psychotherapy and Group play therapy with abused children The elegant combination of theory and practice offers the reader a range of easily implemented methods and techniques applied to each specified problem Modern Applications to Group Work is a valuable companion text for any group oriented course Undergraduate and graduate courses in group can use the text to illustrate the application of general group principles to specific psychological concerns Modern Applications to Group Work may be used as the primary text for advanced courses in group counselling psychology and social work programs Practitioners will be attracted to the book due to the comprehensive scope and the strong theoretical basis of each chapter that is followed by pragmatic treatment strategies

*Setting Plato Straight* Todd W. Reeser, 2015-12-28 When we talk of platonic love or relationships today we mean something very different from what Plato meant For this we have fifteenth and sixteenth century European humanists to thank As these scholars most of them Catholic read digested and translated Plato they found themselves faced with a fundamental problem how to be faithful to the text yet not propagate pederasty or homosexuality In *Setting Plato Straight* Todd W Reeser undertakes the first sustained and comprehensive study of Renaissance textual responses to Platonic same sex sexuality Reeser mines an expansive collection of translations commentaries and literary sources to study how Renaissance translators transformed ancient eros into non erotic non homosexual relations He analyzes the interpretive lenses translators employed and the ways in which they read and reread Plato s texts In spite of this cleansing Reeser finds surviving traces of Platonic same sex sexuality that imply a complicated recurring process of course correction of setting Plato straight

*Straight Talk on God's Undying Love for His Unique Women* Evangelist Frances S. Harris, 2011-01-25 *Straight Talk* Gods Undying Love for His Unique Women is written for mature women young women and teenage girls It is to help Christians to let go and let God and to encourage non Christians to accept Gods gift Jesus Christ as their LORD and Savior God put it in my heart to write this book years ago however I kept pushing it out of my mind and making excuses Thank God for another opportunity and for impressing upon me the urgency to get it done He has such a love and compassion for His women His desire is to see His women free and holy and walking in their anointing This book expresses Gods heart and my heartbeat and heartache for struggling women This book is short plain and easy reading some topics may be controversial but it is what the Word of God says Topics on premarital sex and lust of the flesh often make some people uncomfortable however people are engaging in this sin every day Women it is time to come clean and be real God is ready and waiting with open arms to receive His unique woman

*Emotions, Ethics, and Cinematic Experience* Robert Sinnerbrink, 2021-06-11 Since the early 1990s phenomenology and cognitivism have become two of the most influential approaches to film theory Yet far from being at odds with each other both approaches offer important insights on our subjective experience of cinema *Emotions Ethics and Cinematic Experience* explores how these two approaches might

work together to create a philosophy of film that is both descriptively rich and theoretically productive by addressing the key relationship between cinematic experience emotions and ethics **Shaded Lives** Beretta E. Smith-Shomade,2002 In *Shaded Lives* Beretta Smith Shomade sets out to dissect images of the African American woman in television from the 1980s She calls their depiction binaristic or split African American women although an essential part of television programming today are still presented as distorted and deviant By closely examining the television texts of African American women in comedy music video television news and talk shows Oprah Winfrey is highlighted Smith Shomade shows how these voices are represented what forces may be at work in influencing these images and what alternate ways of viewing might be available

*Desert Sundays* William T. Goodman,2014-01-27 William T Goodman s debut novel takes us on a mesmerizing journey of linked narratives that speak to the richness and rawness of the human experience Through unusual circumstances three unlikely and uniquely different people come together in the small desert community of Lunden Arizona All three are products of their turbulent pasts possessing deep flaws as well as remarkable qualities The bond they form is of the intensity most people are lucky to experience once in a lifetime if ever Tom is a forty one year old college professor from Kingston New York He teaches English Literature as does his wife With their marriage crumbling Tom takes a sabbatical to reevaluate his life He is brilliant but often socially awkward Seeking a completely new environment in which to sort himself out he finds Lunden Arizona Tom s immense intellect and personal evolution drive the novel forward Mae is a thirty nine year old accountant and part time singer from Tennessee She married her high school sweetheart soon after graduation The marriage ends tragically but Mae puts herself through college and then leaves Tennessee behind Some years later after quitting an accounting job in Tucson Mae s car overheats on a back road leading to the Grand Canyon Without cell phone service she is stranded until a Native American in an open yellow Jeep happens by arranges for a tow and brings her to Lunden Arizona Joseph is a twenty nine year old part Crow Indian from Montana Soon after his birth Joseph s single teenage mother abandons him and leaves the state Her older sister and white husband raise Joseph on their ranch He is educated away from the reservation and after college graduation the young and idealistic Joseph returns to the reservation of his birth to teach high school His optimism quickly changes to disillusionment and then disappears altogether when a violent altercation in the classroom ends his teaching career Joseph leaves Montana for a warmer climate where he intends to lead a solitary primal existence He rents a simple house in the desert outside Lunden Arizona As the small desert town of Lunden gradually reveals its darker underbelly of sex violence and racism the novel s realism intimately captivates us With diverse characters brought to life through a mixture of sometimes emotional humorous moving shocking and heartbreakingly tragic developments as well as flashback revelations *Desert Sundays* unfolds like an ingenious jigsaw puzzle Propelled toward an explosive finale the novel compels us to reexamine concepts of legal versus moral justice loyalty degrees of personal loss prejudice and even the possibility of metaphysical predetermination *Desert Sundays* strikingly showcases the complexities of contemporary America

and with masterful insight the novel vividly captures life's intensity touching our hearts our hopes and our fears My mother used to tell me that we are all born pulling a cart As life progresses we fill the cart with our experiences some good some bad This becomes our baggage cart Certain people use it to build fortunes and empires while others are crushed under the weight of their own baggage and never create anything Joseph Curly of Desert Sundays      **The Smart Set** ,1909
