John Grisham,2003-11 **The Christmas Pocket Bible** Guy Hobbs,Steve Hobbs,2009-09-01 Christmas is a special time to spend with friends and loved ones Yet all too often the pressure to have a wonderful time outweighs the fun The Christmas Pocket Bible helps you take control of your festive activities as you plan your best Christmas ever This handy book is crammed with answers to everything that matters for this festive period the stories behind Christmas traditions and fascinating Christmas trivia including Tips for a thrifty Christmas Preparing and cooking fabulous Christmas feast The best wines for Christmas lunch Everything you ever wanted to know about mistletoe Creative inexpensive ways to decorate your home The words to popular carols The tradition of Boxing Day New Year's Day traditions Auld Lang Syne This beautiful hardback edition has both dust cover and gold embossing on the spine making it the perfect gift Every Pocket Bible is lovingly crafted to give you a unique mix of useful references handy tips and fascinating trivia that will enlighten and entertain you at every page There is a Pocket Bible for everyone Other titles in the series The Baking Pocket Bible The Dad's Pocket Bible The Rugby Pocket Bible The Railway Pocket Bible and The Gardener's Pocket Bible Christmas as Religion Christopher Deacy,2016-07-28 In Christmas as Religion Christopher Deacy explores the premise that religion plays an elementary role in our understanding of the Christmas festival but takes issue with much of the existing literature which is inclined to limit the contours and parameters of religion to particular representations and manifestations of institutional forms of Christianity Religion is often tacitly identified as having an ecclesiastical frame of reference so that if the Church is not deemed to play a central role in the practice of Christmas for many people today then it can legitimately be side lined and relegated to the periphery of any discussion relating to what Christmas means Deacy argues that such approaches fail to take adequate stock of the manifold ways in which people's beliefs and values take shape in modern society For example Christmas films or radio programmes may comprise a non specifically Christian but nonetheless religiously rich repository of beliefs values sentiments and aspirations Therefore this book makes the case for laying to rest the secularization thesis with its simplistic assumption that religion in Western society is undergoing a period of escalating and irrevocable erosion and to see instead that the secular may itself be a repository of the religious Rather than see Christmas as comprising alternative or analogous forms of religious expression or dependent on any causal relationship to the Christian tradition Deacy maintains that it is religious per se and moreover it is its very secularity that makes Christmas such a compelling and even transcendent religious holiday *Musings and Adventures of a Baby Boomer, That Generation Before X, Y, and Z* Kay

Hoflander,2020-11-18 As Kay Hoflander personally knows Baby Boomers are a generation all of their own From having parents known as the Greatest Generation to witnessing the moon landing and ushering in the digital age this generation has experienced it all This collection columns are a compilation of the musings and adventures she has experienced as a Baby Boomer in a world more virtual than reality The humorous and whimsical approach she brings to life leads readers to reminisce the writings of Erma Bombeck Tackling everything from aging to going viral her columns remind us not to take life too seriously and maintain focus on the things that really matter Join Kay Hoflander on a honest and refreshing look back on the experiences of this unique generation and the challenges of aging digital *Jungian and Psychoanalytic Perspectives on Christmas* Kendrick Lyddon Norris,2025-09-08 By examining its history traditions symbols and representation in the arts through the lens of three major schools of depth psychology Kendrick L Norris a Jungian Analyst and minister shows how better understanding of the promise of Christmas can allow us to discover what it is that we long for the most Why does the winter celebration of Christmas have such a deep rooted resonance individually and collectively This extensively researched book clearly and engagingly articulates the soul reasons why this holiday has such a significant impact on the human psyche The work begins with an explanation about how depth psychology can be used to understand the Christmas phenomenon followed by an investigation into the origins and symbols of Christmas The book closes by delving into the soul meaning of Christmas through the perspectives of Freud Kohut and Jung This thought provoking volume will appeal to Jungian Analysts psychoanalysts and psychotherapists as well as those interested in religion and its relation to depth psychology
