**the Further Exciting Advent****Their Visit to the Sea Fairies** L. Frank Baum, 2016-08-21 With *The Sea Fairies* my book for 1911 I ventured into a new field of fairy literature and to my delight the book was received with much approval by my former readers many of whom have written me that they like Trot almost as well as Dorothy As Dorothy was an old old friend and Trot a new one I think this is very high praise for Cap n Bill s little companion Cap n Bill is also a new character who seems to have won approval and so both Trot and the old sailor are again introduced in the present story which may be called the second of the series of adventures of Trot and Cap n Bill But you will recognize some other acquaintances in *Sky Island* Here for instance is Button Bright who once had an adventure with Dorothy in Oz and without Button Bright and his Magic Umbrella you will see that the story of *Sky Island* could never have been written As Polychrome the Rainbow s Daughter lives in the sky it is natural that Trot and Button Bright meet her during their adventures there This story of *Sky Island* has astonished me considerably and I think it will also astonish you The sky country is certainly a remarkable fair land but after reading about it I am sure you will agree with me that our old Mother Earth is a very good place to live upon and that Trot and Button Bright and Cap n Bill were fortunate to get back to it again By the way one of my little correspondents has suggested that I print my address in this book so that the children may know where letters will reach me I am doing this as you see and hope that many will write to me and tell me how they like *Sky Island* My greatest treasures are these letters from my readers and I am always delighted to receive them L FRANK BAUM **Sky Island ( )** L. **L. Frank Baum: Creator of Oz** Katharine M. Rogers,2007-04-01 Since it was first introduced over a hundred years ago in The Wonderful Wizard of Oz L Frank Baum s world of Oz has become one of the most enduring and beloved creations in children s literature It has influenced numerous prominent writers and intellectuals and become a lasting part of the culture itself L Frank Baum was born in 1856 in upstate New York the seventh child of a very successful barrel maker and later oil producer However Baum s own career path was a rocky one Beginning as an actor Baum tried working as a traveling salesman the editor of a small town newspaper and the publisher of a trade journal on retailing failing to distinguish himself in any occupation His careers either failed to provide a sufficient living for his beloved wife Maud and

their children or were so exhausting as to be debilitating In the 1890 s L Frank Baum took the advice of his mother in law suffragist leader Matilda Gage and turned his attention to trying to sell the stories he d been telling to his sons and their friends After a few children s books published with varying success he published The Wonderful Wizard of Oz in 1900 and it quickly became a bestseller and has remained so ever since In this first full length adult biography of Baum Rogers discusses some of the aspects that made his work unique and has likely contributed to Oz s long lasting appeal including Baum s early support of feminism and how it was reflected in his characters his interest in Theosophy and how it took form in his books and the celebration in his stories of traditional American values Grounding his imaginative creations particularly in his fourteen Oz books in the reality of his day Katharine M Rogers explores the fascinating life and influences of America s greatest writer for children Cambridge Public Library Bulletin Cambridge Public Library (Cambridge, Mass.),1912
