Slave Island Paul Little,1998-05-01 **Capital & Ideology: A Graphic Novel Adaptation** Thomas Piketty,Claire

Alet,2024-09-10 Thomas Piketty s powerful and bestselling Capital and Ideology is now available in this accessible and richly illustrated full color graphic novel format Praised by Piketty himself as a magnificent adaptation of his original book this graphic novel adaptation is perfect for anyone looking to understand the wealth gap and why society is the way it is today Claire Alet and Benjamin Adam make the original work s ideas more accessible through the addition of a family saga Jules the main character is born at the end of the 19th century He is a person of private means a privileged figure representative of a profoundly unequal society obsessed with property He his family circle and his descendants will experience the evolution of wealth and society Eight generations of his family serve as a connecting thread running through the book all the way up to L a a young woman today who discovers the family secret at the root of their inheritance The book concludes with six compelling proposals for participatory socialism in the 21st century Friendly and approachable illustrations by cartoonist and children s book author Benjamin Adam are easy to understand without diluting the subject matter The material is adapted expertly by Claire Alet a former journalist at Alternatives Economiques *The Appropriation of Cultural Capital* Milena

Doleželová-Velingerová,Oldřich Král,Graham Sanders,2020-03-23 For much of the twentieth century the May Fourth movement of 1919 was seen as the foundational moment of modernity in China Recent examinations of literary and cultural modernity in China have however led to a questioning of this view By approaching May Fourth from novel perspectives the authors of the eight studies in this volume seek to contribute to the ongoing critique of the movement The essays are centered on the intellectual and cultural historical motivations and practices behind May Fourth discourse and highlight issues such as strategies of discourse formation scholarly methodologies rhetorical dispositions the manipulation of historical sources and the construction of modernity by means of the reification of China s literary past **The Complete Novels of**

Treasure Island & The True Story Behind The Novel - The History Of Pirates and Their Treasure Robert Louis Stevenson,Captain Charles Johnson,Daniel Defoe,2017-05-26 Treasure Island is an adventure classic written by Robert Louis Stevenson narrating a tale of buccaneers and buried gold Its influence is enormous on our own perception of pirates including treasure maps marked with an X schooners the Black Spot tropical islands and one legged seamen bearing parrots on their shoulders Stevenson stated Treasure Island came out of the great Captain Johnson s History of the Notorious Pirates which is included in this edition in its entirety with all the incredible life stories of the notorious world famous pirates that inspired Stevenson and are also mentioned in the novel *Recharting the Black Atlantic* Annalisa Oboe,Anna Scacchi,2011-04-13 This book focuses on the migrations and metamorphoses of black bodies practices and discourses around the Atlantic particularly with regard to current issues such as questions of identity political and human rights cosmopolitics and mnemo history **Fin-de-Siècle Splendor** Dewei Wang,1997 The reigning view of literary historians has been that the May Fourth movement of 1919 marks the division between the traditional and the modern in Chinese literature This book argues that signs of reform and innovation can be discerned long before May Fourth and that as China entered the arena of modern international history in the late Qing it was already developing its own complex matrix of incipient modernities It demonstrates that late Qing fiction nurtured a creative innovative poetics one that was spurned by the reformers of the May Fourth generation in favor of Western style realism The author recognizes that a full account of modern Chinese fiction needs to ask why so many genres styles themes and figures found in late imperial fiction were repressed by modern Chinese literary discourse He focuses on four genres of late Qing fiction that have been either rudely dismissed in pejorative terms or simply ignored depravity romances court case and chivalric cycles grotesque expos s and scientific fantasies The author shows that in spite of the realist orthodoxy that has dominated Chinese literature since the May Fourth movement these unwelcome genres have continually found their way back into mainstream discourse their influence being increasingly evident in recent decades This first comprehensive study of late Qing fiction discusses more than sixty works at least half of which have rarely or never been dealt with by Western or Chinese scholars Richly informed by contemporary literary theory

this book constitutes a polemical rethinking of the nature of Chinese literary and cultural modernity Decolonization and the Other Sharon C. Sewell,2010-04-16 In 1962 Jamaica and Trinidad and Tobago became independent countries Barbados followed in 1966 In the years leading up to these events the history of the British West Indies was written largely by the British the colonial power who focused on the process of decolonization and the key local players involved After independence local scholars also focused on the role of political leaders in the newly independent countries To date scholars have paid little attention to the impact of these events on the local populations of these islands Decolonization and the Other The Case of the British West Indies explores the local perspectives on and reactions to events by using West Indian literature to supplement the historical record Beginning in the 1930s when local demands for political participation increased through the process of decolonization and into the early years of independence West Indian writers used their life experiences to document local reaction West Indian literature first appeared in 1950 when British publishers became interested in island authors and their novels By using the novels to supplement the historical record we can gain a better understanding of the process of decolonization and the early years of independence in the British West Indies The Island Called Paradise Philip D. Beidler,2014-02-28 A personal and cultural mediation Philip D Beidler s The Island Called Paradise explores the fascinating ways Cuban history and culture have permeated North American consciousness and vice versa In The Island Called Paradise Philip D Beidler shares his personal discovery of the vast rich and astonishing history of the island of Cuba and the interrelatedness of Cuba and the US Cuba first entered Beidler s consciousness in the early 1960s when he watched with mesmerized anxiety the televised reports of the Cuban missile crisis a conflict that reduced a multifaceted centuries old history between North America and Cuba to the stark duotones of Cold War politics Fifty years later when Beidler traveled to the US s island neighbor he found a Cuba unlike the nation portrayed in truculent political rhetoric or in the easy preconceptions of US popular culture Instead he found an entrancing people and landscape with deep historical connections to the US and a dazzling culture that overwhelmed his creative spirit In twelve original essays Beidler reintroduces to English speaking readers many of the central figures both real and literary of Cuban and Cuban American history Meet Cecilia Vald s the young mixed race heroine of a 1839 novel that takes readers to the poor streets and sumptuous salons of Spanish colonial Cuba and Narciso L pez a real life Venezuelan adventurer and filibustero who attempted to foment a Cuban uprising against Spain Both would have been familiar figures to nineteenth century Americans Beidler also visits the twentieth century lives of the two Ernestos Ernest Hemingway and Che Guevara and the pop culture Cuban icon Ricky Ricardo A country not with one history but multiple layers of history Cuba becomes a fertile island for Beidler s exploration Art he argues perpetually crosses walls erected by politics history and nationality At its core The Island Called Paradise renews and refreshes our knowledge of an older Atlantic world even as we begin to envision a future in which the old bonds between our nations may be restored *Treasure Island.NOVEL / illustrated / Robert Louis Stevenson,2018-11-16*

illustrated Treasure Island is an adventure novel by Scottish author Robert Louis Stevenson narrating a tale of buccaneers and buried gold Its influence is enormous on popular perceptions of pirates including such elements as treasure maps marked with an X schooners the Black Spot tropical islands and one legged seamen bearing parrots on their shoulders Treasure Island was originally considered a coming of age story and is noted for its atmosphere characters and action It is one of the most frequently dramatized of all novels It was originally serialized in the children s magazine Young Folks from 1881 through 1882 under the title Treasure Island or the mutiny of the Hispaniola credited to the pseudonym Captain George North It was first published as a book on 14 November 1883 by Cassell Co

Caribbean Culture and British Fiction in the Atlantic World, 1780-1870 Tim Watson,2008-07-10 Examines the interrelationship between Caribbean narratives and British fiction in the eighteenth and nineteenth centuries

Translation and Creation David E. Pollard,1998-03-15 In the late Qing period from the Opium War to the 1911 revolution China absorbed the initial impact of Western arms manufactures science and culture in that order This volume of essays deals with the reception of Western literature on the evidence of translations made Having to overcome Chinese assumptions of cultural superiority the perception that the West had a literature worth notice grew only gradually It was not until the very end of the 19th century that a translation of a Western novel *La dame aux cam lias* achieved popular acclaim But this opened the floodgates in the first decade of the 20th century more translated fiction was published than original fiction The core essays in this collection deal with aspects of this influx according to division of territory Some take key works e g Stowe s *Uncle Tom s Cabin* Byron s *The Isles of Greece* some sample genres science fiction detective fiction fables political novels the common attention being to the adjustments made by translators to suit the prevailing aesthetic cultural and social norms and or the current needs and preoccupations of the receiving public A broad overview of translation activities is given in the introduction To present the subject in its true guise that of a major cultural shift supporting papers are included to fill in the background and to describe some of the effects of this foreign invasion on native literature A rounded picture emerges that will be intelligible to readers who have no specialized knowledge of China

Colombo Carl Muller,2000-10-14 Colombo is in the throes of an explosion Its face changes continuously its vices are legion its future as yet obscure and its paths speak of sunlight as well as of shadow Carl Muller begins his quasi fictional portrait of this beautiful war torn city by describing the great battles fought over it by European colonizers In AD 1505 a Portuguese fleet blown off course took shelter in Galle overthrew the local kings fortified Colombo and decided to stay The Dutch came along ousted the Portuguese made Colombo their capital and ruled till the British arrived and sent them packing Muller intersperses the tales of the past into descriptions of the battles that are being fought in Colombo today political battles in which vested interests play a major role as well as battles fought on the individual level in the struggle to survive young women and children turning to prostitution to earn an extra buck people begging in the streets to make ends meet unemployed young men turning to crime in frustration students demonstrating against atrocities

lovers pining for nightfall in order to push away loneliness if only for a few moments Written in Muller s lucid style Colombo A Novel is a chronicle of a city s trials and triumphs **Island Beneath the Sea** Isabel Allende,2010-04-27 Allende is a master storyteller at the peak of her powers Los Angeles Times From the sugar plantations of Saint Domingue to the lavish parlors of New Orleans at the turn of the 19th century the latest novel from New York Times bestselling author Isabel Allende In s of My Soul The House of the Spirits Portrait in Sepia tells the story of a mulatta woman a slave and concubine determined to take control of her own destiny **TIMES OF WAR & PERIL - The Historical Novels Series (Illustrated Edition)** G.
