Sleep Toward Heaven 20pk RGG Amanda Eyre Ward, 2004-03-30 [Inching Toward Heaven's Door](#) John F. Sieckhaus, Ph.D., 2001-11-01 There are few clues as to why a person responds to the vicissitudes of life in a given way As John Sieckhaus states in this memoir of his own spiritual journey some have the courage to choose life from their earliest moments of sober reflection while others opt to soothe their pain with addictions of the mind and body some choose an early final exit and still others stay the healing course trusting that there is purpose to their lives meaning in their suffering and healing as the intended outcome of some higher power The tragic slaying of his parents propels the author as sixteen year old onto a life course dictated initially by his own errant choices and the acculturations of family tribe and society His decision to pursue a Ph D in chemistry is consistent with his search for life s magic formula the alchemist s quest for the philosopher s stone but the first fruits of this venture are depression and a horrific encounter with his family demons Resort to psychotherapy and chemical dis ease management a therapeutic model characterized by a patient s need to trust in the alchemical wisdom of his or her therapist proves to be a mere palliative in a desperate striving to arrest the pain and it is only through an encounter with the living God amidst a small band of refugees from mainline Christian churches that his journey of faith remembrance and healing begins John Sieckhaus tells this story with conviction and a deep sense of gratitude for God s provision of trustworthy guides and fellow travelers on the way It was from James and Mary Baird a couple whose decision to stand against the racial prejudices inherent in their small town culture in Baird Mississippi in the 1950s forced them to leave family clan and culture to reach out to the hurting and the needy in southeast Asia that he

learned to heed God's call in his life and to pursue his vocation with a new sense of adventure and purpose. In so doing, he had to come to grips with his work as a scientist engaged in the development of weapon systems and was eventually led to challenge his company's involvement with nerve gas research and resign his position. With each step in his vocational journey, the healing went deeper, and finally, after staying the course for more than twenty years, the author was gifted with a revelation of his family pathology which provided the clues concerning his own responses to life. This is a story that the author was compelled to tell because the telling was an integral part of his healing journey and because, as he states in the introduction, I believe that what I have experienced and learned is not just for my own healing and spiritual growth; that perhaps it may help others walk their own path to wholeness. If this should prove to be the case for only one other person, the telling will have been worth the effort.

From Hell Street to Heaven's Gate Aubrey Ray Vaughan, 2025-01-30. Hell Street was located on an inner city street in Houston, Texas. For over twenty years, while being the Pastor of the Church, conducting a Christian school, and conducting a skid row mission, we were able to tell many fallen and lifeless addicted men and women that sweet old story that Jesus Christ saves sinners. It is and was such a thrilling experience to see hope come back into their lives and see their joy because their sins and their old life had been forgiven forever. Starting over is difficult, but it is not impossible. Hell Street was the term adopted by some of the men in our rescue mission who had walked those streets. It was the term that describes the area where our church buildings were located. Con men, party people, prostitutes, and drug pushers regularly walked by the buildings. At any given time of the day, one could see several drug deals transpiring across the street from the church buildings. Approximately thirty legal beer joints, bars, strip clubs, porn bookstores, and nightclubs owned by the Chinese Mafia and other like groups and individuals lined the streets around our church buildings. When we left the area, we had witnessed several bars closing and one porn shop and one abortion clinic shut down. The area had changed, some, but it was clear that the wicked would always have their places of amusement for any unsuspecting simple person. Our new home in the country setting was given the street name Heaven's Gate, which sparked the title for this book.

Will I Go to Heaven? Harold Lerch, 2020-12-03. This book proclaims that the God of the Bible is the true God and that we are all his children. He has prepared heaven as a place for his children to spend eternity. The text explains how you can be assured that you can enter Heaven.

Sleeping to Dream and Dreaming to Wake Up! Vijay Srinath Kanchi, 2022-11-08. Dreams play a significant role in our life, meaningfully affecting us in the development of our personality and our spiritual journey. They are an everyday experience for any human being. Dreams have always been of great interest to poets and philosophers alike since ancient times, and examples are aplenty in Indian and Western scriptures. However, it is an uphill task for an ordinary person to fully appreciate the intricacies and significance of dreams in the day-to-day life. It is here that this book proves as an invaluable guide, providing deep understanding on the nature of dream and sleep. This book is a repertoire of human wisdom gathered for centuries and attested by the modern science, offering enormous insights into our dream and

deep sleep states It asks from a common man s point of view many a question that perturb us and provides answers to them from the scientific and spiritual perspectives in a captivating way Some such questions include Do we see dreams in black and white or in colour What does a visually challenged person see in his dreams Why are some of our dreams extraordinarily vivid with electric colours the clarity and brilliance of which we may never encounter in our ordinary waking lives Why are we non reflective irrational in our dreams Are the dream time and waking time equal How does our memory work in dream state Why do we forget our dreams and is it possible to improve dream recall and cultivate awareness in dreams Why do we fail to distinguish a dream object from the physical world object while we are dreaming If the dream experience exactly feels like the real world and we fail to distinguish it from the waking world while we are dreaming how can we be certain that we are not dreaming now How does a dream contain various persons exhibiting opposite emotions at the same time when all the dream characters including the witnessing dreamer are produced out of single mind of the dreaming person Can we intentionally transform the dream scenarios If so what would be the philosophical implications of it Can dreams and sleeps be utilized for spiritual elevation and many more questions we always wondered about the daily eight hours of our bed time but never got the right answers to We find new meanings and ways in dealing with our dreams in this volume therefore it is a must read for every dream enthusiast as well as any serious spiritual seeker *Zechariah's Hope Paperback* David C Coldwell,2018-01-24 The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool *The Non-Prophet's Guide to Heaven* Todd Hampson,2024-10-01 Straightforward Answers to Your Biggest Questions About Heaven How do we know who goes to heaven Will we have bodies Will we recognize other people such as our friends and family What does having a future in heaven mean for us while still here on earth In *The Non Prophet s Guide to Heaven* author and illustrator Todd Hampson answers these questions and many more with lighthearted illustrations and faithful explorations of what Scripture reveals about heaven As you embark on this spirited adventure you will encounter historical understandings of heaven and a deep dive into what the Bible really says an overview of what happens between now and eternity on a clear informative timeline encouragement to deepen your faith in God s promises and make today count more than ever Packed with engaging infographics and bountiful insight this inspiring resource will transform your understanding of heaven and the afterlife while energizing you to live more boldly in
