**Slightly Off** Daniel A. Reynolds, 2002-01-31 This book is for those who want enlightenment but can't afford the plane ticket to Tibet If you can't afford this book that's not a problem either The secret to enlightenment can be found in the introduction of the book thereby bypassing hours of needless reading Of course once you're enlightened there's not much left to do in life so you might as well finish the book And this is no ordinary book It's a collection of Daniel Reynolds' cult column Slightly OFF a column where you never know what to expect Slightly OFF skips all the bashing and mudslinging of other commentary columns and simply forces its readers to look at popular culture through psycho colored glasses dressing familiar things in new clothes to see how ridiculous they looked in the old ones Fifty of the best Slightly OFFs are here ranging in topics from politics to sex to Pepsi to religion to beauty to mustard And when you combine religion and mustard it's never pretty This collection includes A Fish Named God A theology based on a goldfish no LSD required Wanted by the FBI The nation's most wanted felons including Santa Claus Sex and the Oklahoma City Cutting through the latex curtain in the Midwest Tales from the ER The dark side of medicine has nothing to do with malpractice It has to do with shampoo bottles Parenting Five children five adults and a three bedroom house rNuff said When all is said and done you may not be enlightened but you'll probably feel a little unbalanced And that's close enough

Everybody has bad habits emotional challenges areas of dysfunction or times when they engage in poor decision making But what can be done about inappropriate hurtful or even dangerous behaviors and habits Oftentimes well intentioned people attempt to use sheer willpower and human effort to bring about positive life changes But too often both inner strength and willpower fade and the temptations of life can become too strong and overwhelming for people to resist It turns out that the secret for successful living comes not from invoking our own inner strength and not by successfully resisting our negative impulses Instead significant life improvements can be brought about by means of transforming negative human impulses into something positive and beautiful Stop Resisting Your Sins is a step by step self help Christian guide for producing positive life changes Written in plain English the book explains recent discoveries from the field of mental health and combines these lessons with biblical principles for better living and total life transformation      **The Little Cyclopedia of Mormonism ...**
