Salper,1994 This book is a collection of eleven essays devoted to the work of Ramon del Valle Inclán 1866 1936 Long the recipient of critical analyses from various perspectives Valle Inclán s writing has nevertheless been virtually neglected in the gender based criticism that has given rise to important studies of his contemporaries in other European literatures This means that his diverse female characters have not been fully examined that many scholars continue to consider him an unqualified misogynist and that a marked effort to surmount gender constraints present throughout his work has not been acknowledged much less explicated This lack of study is intimately related to a much broader lacuna in Hispanic literature and scholarship for the working of gender norms and their interaction with economic religious and political institutions inscribed in the literature of turn of the century Spain have only recently begun to receive detailed study The essays in this volume identify explore and interrogate issues of gender with respect to Valle Inclán s writing The results offer an altered portrait of Valle Inclán in which attitudes attributed to him are questioned and reevaluated In particular studies of several strong female characters indicate that he envisioned a far more complex role for women than has formerly been recognized Three previously published essays were chosen to provide a grounding in work on gender and Valle Inclán The remaining essays were written for this volume As an orientation for the reader and in order to assure that the collection will be of use and interest to non Hispanists as well as specialized readers an introduction to the collection defines the intentions of the editors discusses the essays with respect to current criticism and places Valle Inclán and his writing in turn of the century Spanish history and aesthetics As a whole the collection reads as far more than the sum of its individual essays prompting a fuller appreciation of both Valle Inclán and the social and cultural system to which he belongs BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved [Revista de estudios hispánicos](#) University of Alabama.
