Summons To Faith And Renewal Christian Renewal In A Postchristian World:

Summons to Faith and Renewal Peter Williamson, Kevin Perrotta, 1983 **Three Keys to Spiritual Renewal** Clark H. Pinnock, 1998-03-03 **All Together in One Place** Harold D. Hunter, Peter D. Hocken, 2019-02-21 The global pentecostal charismatic movement as it launches into the twenty first century outdistances current attempts at classification and clarification Although scholarly theologizing has not been the hallmark of the movement the current surge of pentecostal charismatic scholars confounds the accepted antithesis between expressive narrative and reflective theology Brighton 91 which featured Professor Jurgen Moltmann and the Archbishop of Canterbury was a symposium unprecedented in the range of participating scholars drawn from six continents They gave voice to new insights for handling racism sexism socioeconomic oppression and the environment thus modeling a legitimate postmodern agenda **In God's Presence** J.I. Packer, 2000-03-07 James I Packer says of the devotional life To rush to God randomly babbling about what is on our mind at the moment with no pause to realize his greatness and grace and our own sinfulness and smallness is at once to dishonor him and to make shallow our own fellowship with him Dr Packer has taught generations of Christians how to know God better Now he helps us draw closer to God each day with insightful readings Focusing on what it means to be a part of the family of God these meditations will lead you into the Father's presence through Scripture prayer and practical wisdom **Christian Faith and Practice in the Modern World** Mark A. Noll, David F. Wells, 1988 The Way of the (modern) World, Or, Why It's Tempting to Live as If God Doesn't Exist Craig M. Gay, 1998 Does God really matter for today's Christians Craig Gay addresses this issue in his *The Way of the Modern World Or Why It's Tempting to Live As If God Doesn't Exist* Gay takes a critical look at the modern world and exposes the foundational worldview of contemporary secular society and the ideas that undergird modern culture Gay shows how for Christians one of the most seductive temptations fostered by these ideas is the temptation toward practical atheism living as if God does not matter Practical atheism has become so attractive that even some Christian churches have embraced it In *The Way of the Modern World* Gay describes in detail the far reaching consequences of practical atheism and what it will eventually mean for Christians Yet Gay is not without hope for today's Christians Arguing for the eviction of certain modern ideas from our churches he shows that there is a biblically sound way to live in but not of the world Faith & Reason, 1984 *The Strategy of Willow Creek Community Church* Gregory A. Pritchard, 1994 **Evangelical Review of Theology**, 1986 A digest of articles and book reviews selected from publications worldwide for an international readership interpreting the Christian faith for contemporary living verso of cover v 3 no 1

The Way of Truth in the Present Age Craig M. Gay, C. Pete Molloy, 1999 Postmodernity explains J I Packer is popularly equated with a denial that there is any such thing as universal public truth the idea being that there is only my truth and your truth that which is true for me and that which is true for you but there is no truth that is true for everybody In February of 1998 six Canadian Anglican scholars paused to consider the various challenges of postmodernism at a Western Theological

Conference entitled The Way of Truth in the Present Age sponsored by the Prayer Book Society of Canada and held at St John's Shaughnessy Church in Vancouver All six addressed the problems associated with affirming Christianity today in a culture that has become increasingly skeptical of all truth claims Although written within the context of the Anglican Communion and directed primarily to an Anglican audience the addresses have been published together in this volume as they concern matters that are of pressing relevance to all Christians today From publisher's description
