Mary Through the Centuries Jaroslav Pelikan,1996-01-01 Explores how Mary has been represented in theology art music and literature throughout the ages **Introduction to Mary** Mark I. Miravalle,2006 The Introduction to Mary offers us the opportunity to experience the truth about the person of Mary our Spiritual Mother through learning about Marian doctrine and devotion Also offers answers to ten of the more common objections to Mary Written by a Professor of Theology and Mariology at Franciscan University at Steubenville Imprimatur **Encountering Mary** Sandra L. Zimdars-Swartz,2014-07-14 In the past two centuries hundreds of apparitions of the Virgin Mary have been reported drawing crowds to the seers and the sites and constituting events of great religious significance for millions of people worldwide Here

Sandra Zimdars Swartz provides a detective like investigation of the experiences and interpretations of six major apparitions including those at La Salette and Lourdes in France during the mid nineteenth century at Fatima Portugal in 1917 and the more recent ones at San Damiano Italy Garabandal Spain and Medjugorje Yugoslavia where the apparitions continue Adopting a phenomenological approach to these encounters with Mary one that is neither apologetic nor antagonistic the author explores the tension between the personal meaning of the events for their subjects and the public appropriation of this meaning by a larger religious community Along the way she examines the backgrounds of the seers their willingness or reluctance to talk about the apparitions and their messages the amount of emotional support they received from family and community as news of the apparitions spread the reports of miracles at apparition sites the reactions of local authorities and the steps taken by the Roman Catholic Church in officially recognizing or rejecting the apparitions as worthy of belief The author concludes with a survey of religious worldviews based on Marian apparitions focusing especially on the now popular transcultural apocalyptic nature of these messages to the modern world Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Mother Figured Deirdre de la Cruz, 2015-12-30 There is no female religious figure so widely known and revered as the Virgin Mary Mary has inspired in cultures around the world a deep devotion a desire to emulate her virtue and a strong belief in her power Perhaps no population has been so deeply affected by this maternal figure as Filipino Catholics whose apparitions of Mary have increased in response to recent events drawing from a broad repertoire of the Catholic supernatural and pulling attention to new articulations of Christianity in the Global South In *Mother Figured* historical anthropologist Deirdre de la Cruz offers a detailed examination of several appearances and miracles of the Virgin Mary in the Philippines from materials and sites ranging from the mid nineteenth century to the present By analyzing the effects of the mass media on the perception and proliferation of apparition phenomena de la Cruz charts the intriguing emergence of new voices in the Philippines that are broadcasting Marian discourse globally Based on two years of ethnographic fieldwork and hitherto unexplored archives in the Philippines the United States and Spain *Mother Figured* documents the conditions of Marian devotion s modern development and tracks how it has transformed Filipinos social and political role within the greater Catholic world

Marian Devotions, Political Mobilization, and Nationalism in Europe and America Roberto Di Stefano, Francisco Javier Ramón Solans, 2016-11-23 This volume examines the changing role of Marian devotion in politics public life and popular culture in Western Europe and America during the nineteenth and twentieth centuries The book brings together for the first time studies on Marian devotions across the Atlantic tracing their role as a

rallying point to fight secularization adversarial ideologies and rival religions This transnational approach illuminates the deep transformations of devotional cultures across the world Catholics adopted modern means and new types of religious expression to foster mass devotions that epitomized the catholic essence of the nation In many ways the development of Marian devotions across the world is also a response to the questioning of Pope Sovereignty These devotional transformations followed an Ultramontane pattern inspired not only by Rome but also by other successful models approved by the Vatican such as Lourdes Collectively they shed new light on the process of globalization and centralization of Catholicism

Cold War Mary Peter Jan Margry, 2021-01-28 One hardly known but fascinating aspect of the Cold War was the use of the holy Virgin Mary as a warrior against atheist ideologies After the Second World War there was a remarkable rise in the West of religiously inflected rhetoric against what was characterised as godless communism The leaders of the Roman Catholic Church not only urged their followers to resist socialism but along with many prominent Catholic laity and activist movements they marshaled the support of Catholics into a spiritual holy war In this book renowned experts address a variety of grassroots and Church initiatives related to Marian politics the hausse of Marian apparitions during the Cold War period and the present day revival of Marian devotional culture By identifying and analysing the militant side of Mary in the Cold War context on a global scale for the first time *Cold War Mary* will attract readers interested in religious history history of the Cold War and twentieth century international history
