The Destructive Power of Family Wealth offers thoughtful holistic planning to ensure that your wealth remains a positive force for your family. While today's families have become global and the world has become smaller and more mobile we have not yet become immune to the problems wealth poses to the family unit. This book provides authoritative guidance on family wealth management with an emphasis on both family and wealth. Global taxation regimes changing bank secrecy laws asset protection and other critical issues are examined in depth to assist wealth owners in planning and the discussion includes details on the essential tools that aid in the execution of any wealth management strategy. More than a simple financial planning guide this book also delves into the psychology of wealth and the effect it has on different family members. Wealth destroys families every day and smart management means maintaining the health of the family as much as it means maintaining and expanding wealth. Family wealth brings advantages but it also carries a potential for destruction. Wealth owners have a responsibility to their families and to themselves and this book provides the critical guidance you need to get

it right whether you are part of a wealth owning family or are an advisor to wealth owning families Learn how careful planning can prevent family strife Protect assets from risks ranging from divorce to political upheaval Explore the many tools that facilitate secure wealth management Discover how changing global regulations affect wealth Understand how private banks and other advisors work Uncover challenges faced by the wealth management industry Find out how to work with advisors and to manage costs while ensuring efficient and effective outcomes Families at all levels of wealth are vulnerable to shifting economic climates evolving regulatory issues asset threats and more Any amount of wealth is enough to shatter a family but deeply intentional planning based on thoughtful consideration is the key to keeping destructive forces at bay The Destructive Power of Family Wealth provides expert guidance and a fresh perspective to help you maintain both family and wealth For those in the wealth management industry and for other advisors to wealth owning families The Destructive Power of Family Wealth contains insight on the needs of today s wealth owning families ways in which the tools of wealth planning address those needs and guidance on what it takes to be a successful trusted family advisor **Encyclopedia of Women in Today's World** Mary Zeiss Stange,Carol K.
