

THE FAMILY ON TRIAL

*SPECIAL RELATIONSHIPS
IN
MODERN POLITICAL THOUGHT*

PHILIP ABBOTT

The Family On Trial Special Relationships In Modern Political Thought

Paul Peachey

The Family On Trial Special Relationships In Modern Political Thought:

The Family on Trial Philip Abbott, 1981 A defense of the modern family in historical perspective this book reconstructs political theory with the family in an important and honorable place By reviewing critically both traditional and contemporary thought on the most special relationships as well as current public policy issues relating to them the author addresses concerns shared by professional and lay constituencies Noting Tocqueville's observation of the American obsession with reevaluating and remodeling the family Professor Abbott pleads for a balanced view The development of liberal ambivalence toward the family along with radical hostility toward it is clearly traced For the most part the family was safely incorporated into political theory from Aristotle to Cicero and onward to Augustine and Aquinas Plato's Republic being the great exception until modern times Then came the challenges of the rational individualists notably Hobbes and Locke and the romantic individualists preeminently Rousseau followed by the attacks of social and psychological radicals exemplified by Fourier Marx Engels and Freud Some traditional criticisms of the family are shown to be soundly based albeit less devastating than the critics supposed As expanded in contemporary life however the great critics revisionist models take on a fantastic quality Here we are introduced to pleas for the eroticization of children and for freedom from tyranny of reproductive biology Proposals for new bureaucratic support structures appear with great frequency professional guardians children's camps cloning hospitals And people try to act out the roles prescribed for them by theorists who attempted to set the solitary in new and different units Liberals and radicals the author argues are infatuated with a rights model which takes as its basis self sufficient rational human beings at the expense of solidarity among human beings A tradition exists Professor Abbott holds that facilitates reconciliation between the modern family and the political order pluralism Pluralism is an attempt to balance individual autonomy and mutuality decentralization and stratification reform and tradition reason and sentiment Public policy in respect to schools housing health care working conditions and recreation should be designed to foster a pluralistic family centered society In line with this thesis the author offers a fresh perspective on such burning issues as abortion sexual preference alternative lifestyles child abuse and children's rights The Family on Trial therefore is relevant to the concerns of social and behavioral scientists the helping professions and the clergy teachers and parents

Sourcebook of Family

Theories and Methods Pauline Boss, William J. Doherty, Ralph LaRossa, Walter R. Schumm, Suzanne K. Steinmetz, 2008-11-19 Origins We call this book on theoretical orientations and methodological strategies in family studies a sourcebook because it details the social and personal roots i.e. sources from which these orientations and strategies flow Thus an appropriate way to preface this book is to talk first of its roots its beginnings In the mid 1980s there emerged in some quarters the sense that it was time for family studies to take stock of itself A goal was thus set to write a book that like Janus would face both backward and forward a book that would give readers both a perspective on the past and a map for the future There were precedents for such a project The Handbook of Marriage and the Family edited by Harold Christensen and published in 1964 the two

Contemporary Theories about the Family volumes edited by Wesley Burr Reuben Hill F Ivan Nye and Ira Reiss published in 1979 and the Handbook of Marriage and the Family edited by Marvin Sussman and Suzanne Steinmetz then in production

The Philosophy of Person Józef Tischner, Józef Życiński, George F. McLean, 1994 *Abortion: Understanding Differences* Sidney Callahan, Daniel Callahan, 2012-12-06 SIDNEY CALLAHAN AND DANIEL CALLAHAN This book like many other things to do with abortion is a product of long controversy Though carried out with cooperation it was conceived in conflict The conflict between the coeditors has persisted for years in fact for at least half of their thirty year marriage One Sidney is prolife the other Daniel is prochoice Ever since the topic of abortion became of professional interest to us in the 1960s we have disagreed At one time while Daniel was writing a book on the subject Abortion Law Choice and Morality 1970 we talked about the subject every day for the four years of the book's gestation On many occasions during the 1970s prolife articles written by Sidney were passed out at Daniel's lectures in order to refute his pro choice views Over the years every argument every statistic every historical example cited in the literature has been discussed by the two of us As Eliza Doolittle says about words in My Fair Lady There's not a one I haven't heard And yet we still disagree How can it be we ask ourselves that intelligent people of goodwill who know all the same facts and all the same arguments still come down on different sides of the controversy As we well know it is possible to agree about many things and have great love and respect for an opponent and still differ

Between Sex and Power Göran Therborn, 2004-07-31 The institution of the family changed hugely during the course of the twentieth century In this major new work Göran Therborn provides a global history and sociology of the family as an institution and of politics within the family focusing on three dimensions of family relations on the rights and powers of fathers and husbands on marriage cohabitation and extra marital sexuality and on population policy Therborn's empirical analysis uses a multi disciplinary approach to show how the major family systems of the world have been formed and developed Therborn concludes by assessing what changes the family might see during the next century This book will be essential reading for anybody with an interest in either the sociology or the history of the family

Premarital Prediction of Marital Quality or Breakup Thomas B. Holman, 2005-12-16 This book should be of interest to scholars researchers students and practitioners alike Scholars researchers and students of personal relationship development will recognize in this book the first serious attempt in over 40 years to do a large scale longitudinal study of premarital factors that predict premarital breakup and marital quality they should also appreciate our attempt to develop a theoretical rationale for predicted paths and to test those paths with the best available statistical tools Practitioners while generally not as interested in the intricacies of the statistical results will find much that is useful to them as they help individuals and couples make decisions about their intimate relationships their readiness for marriage and how to increase the probability for marital success Teachers family life educators premarital counselors and clergy will find helpful our principles for practice particularly as described in Chapter 9 as they teach and counsel couples in any premarital situation My interest in the

development of relationships from premarital to marital probably began when I got married in 1972 and started to notice all of the characteristics my wife and I brought from our respective families and how our new beginning as a married couple was in many ways the continuation of our premarital relationship only more refined and more intense My professional interest began when I did my doctoral dissertation in 1981 on premarital predictors of early marital satisfaction the results of that study are reported in Chapter 8

The Natural Family Allan C. Carlson, 2017-07-05 Sixty years ago the UN declared the family to be the natural and fundamental unit of society Today many people are unsure as to what the word family even means In response to this confusion *The Natural Family* Bulwark of Liberty defines the family based on universal human experience Insisting without apology on the reality of the natural family the manifesto issues a personal call to men and women to rediscover this fundamental source of life joy and freedom Carlson and Mero frankly admit that those who should have defended marriage were asleep when the full scale assault on the family began in the 1960s Even more seriously most of them joined the assault by eventually adopting the very assumptions philosophical social and economic which almost extinguished the family's traditional legal and social privileges Family values is now an empty slogan for those with some nostalgic attachment to the family but who have no idea what the family really is Carlson and Mero examine why the family is in crisis the ways in which the natural family is the source of culture and freedom and what families can do to preserve the most fundamental and wholesome relationship on earth Assured that human nature is on their side Carlson and Mero can be both realistic about the family's plight and relentlessly optimistic about the future *The Natural Family* is a road map especially for the young for rebuilding a culture of freedom joy and love Perhaps the most succinct thorough and impressive pro family argument yet made

BOOKLIST

Family Questions Allan Carlson, 1991-07-01 Drawing upon evidence from different fields Carlson offers a number of provocative explanations to the American crisis in the family In his search for a solution he borrows from a number of traditions conservatism feminism socialism and Marxism

Building Peace and Civil Society Paul Peachey, 2007

Contemporary Moral and Social Issues, 2014-04-15 *Contemporary Moral and Social Issues* is a uniquely entertaining introduction that brings ethical thought to life It makes innovative use of engaging topically oriented original short fiction together with classic and influential readings and editorial discussion as a means of helping students think philosophically about ethical theory and practical ethical problems Introduces students to ethical theory and a range of practical moral issues through a combination of key primary texts clear editorial commentary and engaging original fiction Includes discussion of topics such as world poverty abortion animals the environment and genetic engineering containing Facts and Factual Issues for each topic to give students an up to date understanding of related factual issues Uses immersive original short works of fiction as a means to engage students to think philosophically about serious ethical issues

The Family On Trial Special Relationships In Modern Political Thought Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Family On Trial Special Relationships In Modern Political Thought free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Family On Trial Special Relationships In Modern Political Thought free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file

type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Family On Trial Special Relationships In Modern Political Thought free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Family On Trial Special Relationships In Modern Political Thought. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Family On Trial Special Relationships In Modern Political Thought any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Family On Trial Special Relationships In Modern Political Thought Books

1. Where can I buy The Family On Trial Special Relationships In Modern Political Thought books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Family On Trial Special Relationships In Modern Political Thought book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
