The Fantasy Film Worlds Of George Pal:

Performing the Force Kurt Lancaster, Tom Mikotowicz, 2001-01-01 With the technology of the new millennium continuing to advance there has been an increased interest in participatory forms of science fiction fantasy and horror entertainment such as role playing and computer games websites and virtual reality settings People seem to have a desire to go beyond the ordinary and well into the fantastic This work is a compilation of new essays all but one never before published written by experts in both electronic and non electronic game genres covering computer games web pages Internet role playing interactive movies table top games live action role playing ghost hunts action figures and amusement park rides They cover a variety of viewpoints as to how and why people become so engrossed with virtual reality type activities **The Fantasy Film** Katherine A. Fowkes, 2010-01-26 The Fantasy Film provides a clear and compelling overview of this revitalized and explosively popular film genre Includes analyses of a wide range of films from early classics such as The Wizard of Oz and Harvey to Spiderman and Shrek and blockbuster series such as The Lord of the Rings trilogy and The Harry Potter films Provides in depth historical and critical overviews of the genre Fully illustrated with screen shots from key films 1950s Science Fiction Films and 9/11 Melvin E. Matthews, 2007 1950s Cold War era monsters meet 21st century terrorists this exploration of sci fi movies examines the similarities and differences between the political environment and popular culture of two eras This examination and appreciation of 1950s science fiction films includes behind the scenes tales about their production and many quotes from those who produced and starred in the films The author draws parallels between the Cold War fears of the 1950s and 60s and the constant terrorism alerts of the September 11th era exploring how the politics and the psychological climate of the times influences and is reflected in this vehicle of popular culture This book is the first of its kind studying the pop culture genre in the wake of the September 11th tragedy It shows that whatever the era and whatever the challenges and crises confronting America many entertainment themes remain the same reflecting their respective times and the relevant issues For instance Godzilla the only Fifties era monster to remain a movie star beyond that era could be fashioned to reflect whatever issues dominate the times be they nuclear war in the Fifties when Godzilla originated to a Seventies Godzilla film about environmental pollution Conceivably a Godzilla for the age of terrorism is possible Then the 1954 atomic mutation classic is the spiritual ancestor of the 2002 film Eight Legged Freaks The alien invaders of the Fifties signified a Russian invasion of America while other films of the genre such as Invaders from Mars depicted aliens utilizing mind control to manipulate humans to commit acts of sabotage signifying Communist enslavement If such a film were made now such invaders could be seen as terrorist masterminds using human slaves to commit terrorist acts Finally several Fifties films depicted the end of the world at a time when Americans expected a nuclear war with Russia The immediate pre September 11th era witnessed films presenting galactic threats to mankind s existence Independence Day Deep Impact Armageddon while the early 2000s witnessed the popularity of the Left Behind Christian films dramatizing the Tribulation
