Christopher Thorne

The Far Eastern War States And Societies 1941 45:

The Far Eastern War Christopher Thorne, 1985 British and Japanese Military Leadership in the Far Eastern War, 1941-45 Brian Bond, 2012-11-12 Some sixty years after the Far Eastern War ended this innovative new collection brings together five distinguished UK based scholars and five from Japan to reappraise their respective country's leadership in the Malaya and Burma campaigns This leadership is analyzed on various levels ranging from the grand strategic to operational The Japanese contributors examine the reasons for their forces brilliant advances in 1941-42 whereas the British writers have to account for the disastrous defeat characterized by the poor leadership of senior commanders such as Bennett and Percival Between 1943 and 1945 the tables were turned dramatically so the failure of Japanese command decisions then comes under critical scrutiny and the British have to explain how defeat was transformed into victory Above all this volume should stimulate interest in different methods and styles of military leadership in view of the contrasting approaches of the British and Japanese in the Second World War The Issue of War Christopher Thorne, 1985 The Second World War's Pacific conflict was one of the most complex in history It embroiled peoples from opposite sides of the globe it was fought in China across the expanses of the Pacific and in the jungles of Southeast Asia and it was devastating in its consequences for civilians and servicemen alike It saw the first use of atomic weapons hastened the end of the Western empires in Asia and marked America's rise to the position of the most powerful nation in the world Christopher Thorne whose previous studies of the war in the Pacific have become landmarks in the field here weaves together both the entire network of international relations surrounding the war and the impact the war had on all the societies involved Indian as well as American Australian and New Zealand as well as Japanese Korean Chinese and Southeast Asian as well as British French and Dutch *The Issue of War* draws on material gathered over many years in the Far East Western Europe and the U S material including wartime films broadcasts and newspapers as well as countless private and official papers Representing a synthesis of military diplomatic economic intellectual and social history it not only places the war in the context of developments before 1941 but illuminates various patterns that cut across the familiar distinctions between Asia and the West or between Japan and the Allies About the Author Christopher Thorne a Fellow of the British Academy is the author of *Allies of a Kind* *The United States Britain and the War Against Japan 1941-1945* In 1979 he became the first non American to win the Bancroft Prize for American history **World War II in Asia and the Pacific and the War's Aftermath, with General Themes** Loyd Lee, 1998-10-23 A companion to *World War II in Europe Africa and the Americas* this volume reevaluates the most enduring literature on basic aspects of the war in Asia and the Pacific It also covers themes pertaining to societies at war culture the arts and science and technology as well as international relations and the postwar world Included are not only grand strategy military and naval campaigns and matters of diplomacy but also resistance collaboration prisoners of war and broad topics of the home front including chapters on gender issues film literature popular culture and propaganda This volume and its

companion provide the first comprehensive historiographic reference work on the war Each chapter describes the state of knowledge on the topic relating each bibliographic reference to the chapter s themes and issues and concludes with a bibliography Recent original scholarship is included when it aids new understanding and older works of enduring value also find a place The essays in this volume will interest scholars and college teachers as well as advanced students and serious amateurs seeking insight into the history of the war and its literature The International Politics of Asia-Pacific, 1945-1995 Michael Yahuda,2005-08-19 This fully updated and revised edition of Michael Yahuda s extremely successful textbook introduces students to the international politics of the Asia Pacific region since 1945 Divided into three parts the first presents a chronological overview of developments since 1945 the new second part looks at the post cold war period while the third focuses on the policies of the US the USSR Russia China and Japan in the region Yahuda analyses politics in terms of global regional and local trends combining narrative with analysis This new edition features analysis of the economic crisis and the potential implications worldwide of East Asian economic recovery a chapter on the emergence of East Asia as a significant force in world affairs focusing on the role of lesser powers such as Indonesia and Malaysia chapters considering prospects post 2000 and competing frameworks for security in the wake of nuclear tension between India and Pakistan the strengths and weaknesses of US hegemony in the new world order The Second World War Nick Smart,2017-11-30 The significant and sustained popular interest in the Second World War is matched by the scale and scope of scholarly engagement in the subject The articles selected for this volume cover a wide range of topics reflecting the fact that the largest recorded war in history and the most intense period of global instability in the twentieth century was fought by many different states large and small over differing periods of time and for many different reasons In an area where there is no shortage of material to choose from the articles presented here are distinguished for their depth of scholarship stylistic elegance and inter disciplinary confidence *Japan* Milton W. Meyer,2012-08-09 The emergence of Japan as a political and economic global power has been one of the most remarkable success stories of modern history Though small in geographic area the archipelago is the tenth most populous country with 128 million inhabitants crowded into an area the size of Montana Its natural resources are almost nonexistent yet today it ranks only second after the much larger United States as the most affluent and economically productive nation in the world Its rich cultural heritage and high tech society are equally vibrant For all readers wanting to better understand this dynamic country this popular and accessible introduction offers an authoritative yet concise overview of two thousand years of Japanese history Now fully updated to the present this edition also includes an array of photographs and illustrations The first half of the book explores the pre Meiji era up to 1868 The second half traces domestic changes and relevant foreign issues in the modernizing era launched by the Meiji Restoration Highlighting key historical events Milton W Meyer also includes cultural artistic and religious milestones Summaries and datelines at the end of each chapter as well as a glossary offer additional essential reference points With its clear

explanations of Japanese traditions religion history economics politics and relations with the West this book provides an invaluable guide for understanding contemporary Japan **The British Empire and the Second World War** Ashley Jackson,2006-03-09 In 1939 Hitler went to war not just with Great Britain he also went to war with the whole of the British Empire the greatest empire that there had ever been In the years since 1945 that empire has disappeared and the crucial fact that the British Empire fought together as a whole during the war has been forgotten All the parts of the empire joined the struggle and were involved in it from the beginning undergoing huge changes and sometimes suffering great losses as a result The war in the desert the defence of Malta and the Malayan campaign and the contribution of the empire as a whole in terms of supplies communications and troops all reflect the strategic importance of Britain s imperial status Men and women not only from Australia New Zealand and India but from many parts of Africa and the Middle East all played their part Winston Churchill saw the war throughout in imperial terms The British Empire and the Second World War emphasises a central fact about the Second World War that is often forgotten **Controlling Hollywood** Matthew Bernstein,2000-01-01 Explaining the major forces at play behind the making of Hollywood films this text assesses how changing values have influenced censorship in Hollywood The text also analyses the major cultural social legal and religious changes and their effect on Hollywood The Pacific War Douglas Ford,2012-02-23 A rich and broadranging account of the Asia Pacific campaigns of WWII
