The Far Side Of Victory:

The Far Side of Victory Joanne Greenberg,1983 The growing relationship between Eric Gordon whose irresponsibility caused a car accident that killed a man and his three children and Helen Gerson the widow of the victim has profound consequences for both their lives *The Far Side of Forever* Robert Zorich,2013-08-20 Time Immutable Untouchable A river always streaming past us Something we cant ever turn back or fix Or can we John Gillian renowned physicist and Rebecca Harleson renaissance thinker and mathematician and their team have created the first machine capable of sending messages through infinite time and space Their invention causes shock waves throughout the world and become the target of protestors and unscrupulous politicians The possibilities for misuse are endless When the newly appointed Secretary of Technology Development takes over the project to prevent a tragedy from occurring the warnings of side effects are ignored The results are a world spinning out of control as great paradoxes are manifested around the team and their device Now only Gillian and his team can get back to the source and stop the escalating events before they unfold *The Far Side of Eden* James Conaway,2015-10-22 In the tradition of his New York Times bestseller Napa James Conaway picks up the story he began a decade ago The Far Side of Eden offers a fascinating look at the political side of the wine revolution that put California s Napa Valley on the world map Miami Herald Now Conaway reveals Napa is awash in dollars generated by the boom economy and the social ambitions it inspired The valley is beset by new arrivals determined to have vineyards of their own and by cult wine producers in thrall to fabulously expensive rocket juice cabernet sauvignon that few locals can afford while established families wish to hold on to the old ways and camp followers get caught up in the glamour of it all Conaway long known for his controversial compulsively readable social reporting here indicts the wave of new money millionaires from Silicon Valley who have brought with them gaudy displays of wealth building so called McMansions and planting vanity vineyards Los Angeles Times A cautionary tale with a seductive pull San Francisco Chronicle The Far Side of Eden takes us to the frontlines of America s ongoing conflicts over money land and power to tell a story that has ramifications for us all

The Far Side of the Night Jan-Philipp Sendker,2019-02-07 During a trip to China Paul and Christine experience the nightmare of every parent their four year old son is threatened with kidnap The only safe place for the family is the US

embassy in Beijing but they are two thousand miles away with the police searching frantically for them and all airports train stations and major roads under surveillance They ll have no chance without help from strangers but who will be willing to risk their lives for them Suspenseful and rife with the page turning storytelling that has come to define Sendker s work *Far Side of the Night* is a brilliant and timely thriller that offers a penetrating look into contemporary China *The Far Side of the Stars* David Drake,2003-10-01 While the Republic of Cinnabar is at peace with the Alliance warriors like Lt Daniel Leary and Signals Officer Adele Mundy must find other work like escorting a pair of wealthy nobles on an expedition to the back of beyond The Princess Cecile the corvette in which they carved their reputations in letters of fire has been sold as a private yacht but she still has her guns her missiles and her veteran crew Daniel and Adele will need all of those things as they face winged dragons an Alliance auxiliary cruiser jealous lovers and a mysterious oracle which really does foresee the future That won t be enough though when they penetrate a secret Alliance base and find a hostile fleet ready for a war that will sweep Cinnabar out of a strategically crucial arm of the galaxy Preventing that will involve skill courage and more luck than a sane man could even pray for and it will require a space battle on a scale that a tiny corvette like the Princess Cecile has no business being involved in But she ll be in the middle of it anyway because Daniel Adele and their Cinnabar crew would never turn their backs on a fight At the publisher s request this title is sold without DRM Digital Rights Management Praise for the Lt Leary Series Please more Lt Leary soon Andre Norton Updating dashing Horatio Hornblower tactics and vintage John Wayne heroics with formidably battle hardened female NCOs Drake gives a full measure of appealing derring do Publishers Weekly Drake s *With the Lightnings* once again demonstrates the author s talent for arcane politics and vivid battle scenes a pair of clever and resourceful protagonists action packed space opera Library Journal Drake creates two strong protagonists *With the Lightnings* is an intelligent page turner the launching of a new futuristic space navy saga Booklist vintage Drake fast paced heroic and ending in a rousing climax Drake remains one of the best of the military SF writers Science Fiction Chronicle *With the Lightnings* is his best and most fun novel I d love to see a sequel Philadelphia Weekly Press Drake couldn t write a bad action scene at gunpoint and his sense of humor infuses the characters here in Lt Leary *Commanding with agreeable qualities* Grand fun for lovers of action in high space Roland Green *The Far Side of Evil* Sylvia Engdahl,2003-03-01 On completion of her training as an agent of the interstellar federation s Anthropological Service Elana is sent to a world whose people may soon destroy their civilization Since not enough is understood about the situation to justify any interference with their evolution the Service has no power to act its agents must go as helpless observers posing as natives in the hope of gaining knowledge that may help to save other worlds This passive role proves intolerable to the young inexperienced agent assigned to the same city as Elana a city under totalitarian rule After falling in love with a local girl who has become Elana s closest friend he identifies too completely with the natives and unwittingly endangers the entire world by a well meant but ill advised attempt to intervene Forced to assume responsibility for undoing the damage Elana

finds that only she at great cost can prevent an immediate war of annihilation Although this novel has the same heroine as the author's Newbery Honor book *Enchantress from the Stars* it is not a sequel but a completely separate and very different story not intended for readers below high school age which is also enjoyed by adults The two books are in no way dependent on each other and can be read in either order
