The Fascist Persuasion in Radical Politics A. James Gregor, 2015-03-08 How valid are the assertions of contemporary radicals who insist that they are Marxists A James Gregor measures the distance that separates today's radicals from the belief system of Marx and Engels He finds that the characteristic qualities of modern mass mobilizing movements bear more impressive similarities to the paradigmatic Fascism of Benito Mussolini than to classical Marxism Thus he offers a new conceptual framework for the analysis of contemporary totalitarian movements and established regimes Originally published in 1974 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

A History of Fascism, 1914-1945 Stanley G. Payne, 1996-07-15 A History of Fascism is an invaluable sourcebook offering a rare combination of detailed information and thoughtful analysis It is a masterpiece of comparative history for the comparisons enhance our understanding of each part of the whole The term fascist used so freely these days as a pejorative epithet that has nearly lost its meaning is precisely defined carefully applied and skillfully explained The analysis effectively restores the dimension of evil Susan Zuccotti The Nation A magisterial wholly accessible engaging study Payne defines fascism as a form of ultranationalism espousing a myth of national rebirth and marked by extreme elitism mobilization of the masses exaltation of hierarchy and subordination oppression of women and an embrace of violence and war as virtues Publishers Weekly

Young Mussolini and the Intellectual Origins of Fascism A James Gregor, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice

reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1979

Themes in Modern European History, 1890-1945 Paul Hayes, 1992 Fixes the important developments of the period not only in the political framework of the time but also in their social and cultural context These essays throw new light on the European situation between 1890 and the Second World War *Themes in European History* treats in thematic fashion a period of great change and upheaval in Europe A collection of twelve essays by five leading historians this textbook highlights important developments and changes that occurred sets these changes in their social and cultural context as well as in the political framework concentrates on the most important powers in Europe completes each essay with suggestions for further reading to guide your students into continuing their research Whereas other textbooks of this period focus on the political events *Themes in Modern European History* uses a comparative history of institutions and societies with emphasis on the cultural changes as well Students are provided with the whole picture of events and are made aware of the wider consequences of the changes taking place enabling them to understand all aspects of the dramatic transformation of Europe from 1890 1945

What Is Fascism? Robert Paxton, 2018-10-02 Based on a lifetime's worth of research esteemed historian Robert Paxton explores what fascism is and how it has come to have a lasting and continued impact on our history In the concluding section of his authoritative book *The Anatomy of Fascism* Paxton makes the convincing and radical case that existing definitions of the popular nationalist and conservative political view are lacking and offers up his own brilliant explication drawn from concrete historical actions thus transforming our understanding of this dangerous ideology and of why it takes hold when and where it does A Vintage Shorts Selection An ebook short

Totalitarian and Authoritarian Regimes Juan José Linz, 2000 Originally a chapter in the *Handbook of Political Science* this analysis develops the fundamental distinction between totalitarian and authoritarian systems It emphasizes the personalistic lawless non ideological type of authoritarian rule the author calls the sultanistic regime

Social and Political Thought of Julius Evola Paul Furlong, 2011-04-21 Julius Evola's writing covered a vast range of subjects from a distinctive and categorical ideological outlook and has been extremely influential on a significant number of extreme right thinkers activists and organisations This book is the first full length study in English to present his political thought to a wider audience beyond that of his followers and sympathisers and to bring into the open the study of a neglected strand of contemporary Western thought that of traditionalism Evola deserves more attention because he is an influential writer His following comes from an important if largely ignored political movement activists and commentators whose political positions are like his avowedly traditionalist authoritarian anti modern anti democratic and anti liberal With honourable exceptions contemporary academic study tends to treat these groups as a minority within a minority a sub species of Fascism from whom they are held to derive their ideas and their support This work seeks to bring out more clearly the complexity of Evola's post war strategy so as to explain how he can be adopted both

by the neo fascist groups committed to violence and by groups such as the European New Right whose approach is more aimed at influence from within liberal democracies Furlong also recognises the relevance of Evola s ideas to anti globalisation arguments including a re examination of his arguments for detachment and spontaneism apolitica

Indoctrinating the Youth Jennifer Liu,2024-01-31 Indoctrinating the Youth examines how the Guomindang GMD or Nationalists sought to maintain control of middle school students and cultivate their political loyalty over the trajectory of the Second Sino Japanese War Chinese Civil War and postwar Taiwan During the Sino Japanese War the Nationalists managed middle school refugee students by merging schools publishing and distributing updated textbooks and assisting students as they migrated to the interior with their principals and teachers In Taiwan the China Youth Corps CYC became a symbol of the regime s successful establishment Tracing Nationalist efforts to indoctrinate ideology and martial spirit Jennifer Liu investigates how GMD leaders Chiang Kai shek and his son Chiang Ching kuo tried to build support among young people in their efforts to stabilize Taiwanese society under their rule By comparing two key youth organizations the Three People s Principles Youth Corps in China and the CYC on Taiwan Liu uses education as a lens to analyze state building in modern China Liu s careful analysis of the inner workings of GMD youth organizations also illuminates the day to day operations of military training in gender segregated upper middle schools including how the government selected instructors and the skills taught to students According to Liu mandatory military training contributed to preventing major protest against the government but the policy was not without critics Intellectuals parents and students voiced their dissent at what they perceived as excessive control by a repressive government and a waste of resources interfering with academics The government mandated civics curriculum including government approved textbooks and standards reveals the characteristics and duties GMD officials believed modern citizens of the next generation should possess Through provisions for refugee students youth organizations military training and civics classes GMD secondary education policy played a critical role in the process of state building in both modern China and Taiwan Skillfully combining archival work in Nanjing and Taipei along with oral interviews with former students and CYC administrators instructors and members Liu offers a unique perspective toward a balanced assessment of Nationalist Party rule
