The Father The Son The Holy Spirit:

The Father, the Son, and the Holy Spirit Jane Schaberg,1982 **In the Name of the Father, Son, and Holy Spirit** Thomas K. Johnson,David Parker,Thomas Schirrmacher,2020-12-16 Our six authors from four continents representing several branches of Evangelicalism are united in affirming the classical Christian understanding of God as Trinity as crucial for knowing God understanding the world and serving God honestly Their essays lead up to a compilation of classical creeds regarding this foundational proclamation Thomas K Johnson The Trinity is a matter of knowing God in his complexity totally different from us in our singularity yet radically similar in having personality in his image then letting this knowledge of God become the pattern of a renewed Christian mind Brian Edgar This presentation of the consummate dimensions of the Trinity tells us that the life of God as Trinity is something in which we participate rather than something to be intellectually comprehended J Scott Horrell The suggestion humbly submitted is especially for a missional Trinitarian worldview not missional as from one culture to another but missional as each body of believers seeks to engage and express Trinitarian faith within their own culture William P Atkinson As the Father s kenotic leadership of the Trinity thereby exalts the Son and the Spirit so too we can expect that the sort of servant leadership that answers Jesus high priestly prayer will lift those who are being led Pavel Ho ek The Enlightenment reductionist rationalism in theology is going through a serious crisis and the relativistic postmodern alternatives do not provide any firm epistemological basis for responsible theological thinking I suggest that the trinitarian intellectual framework which Comenius and Lewis tried to develop offers a promising and inspiring way forward for Christian theologians faithful to the orthodox teachings of the church who are struggling with the intellectual challenges of contemporary culture Tersur Aben The Trinity is the heart of God s self disclosure to and involvement with humans on earth The mission of the church is thus to proclaim the gospel of salvation and the restoration of humans back to God which the Son accomplished on Calvary and the Holy Spirit applies to believers on Pentecost **Bible News, of the Father, Son, and Holy Spirit** Noah Worcester,1810 **The Father and the Son and the Holy Spirit** Vel Hobbs,2005-03 Father, Son and Holy Spirit Colin E. Gunton,2003-09-01 In this book one of the leading and most popular theologians of our time develops themes he first introduced in *The Promise of Trinitarian Theology* in 1992 a book which continues to be widely read and used as a textbook in Christian Doctrine throughout the world Each essay addresses a topic of central importance in Trinitarian theology ranging from the knowledge of God to the Christian sacraments Together they reflect in particular on an increasing interest in the doctrine of the Holy Spirit and its bearing on the structure of the doctrine of the Trinity and its various sub themes of Christology and soteriology etc All but two of the fourteen chapters are published here for the first time **The Father, Son, Holy Spirit** Otis Lewis ,2021-06-01 The explanation of the Father the Son the Holy Spirit according to what is written *Of Communion with God the Father, Son, and Holy Ghost, each person distinctly, in love, grace, and consolation; or, The Saints Fellowship with the Father, Son, and Holy Ghost unfolded* John

OWEN (D.D.),1792 **The Divine Trinunity of the Father, Son, and Holy Spirit** Francis Cheynell,1650 **The Divine Trinunity of the Father, Son, and Holy Spirit: Or, the Blessed Doctrine of the Three Coessential Subsistents in the Eternall Godhead, Etc** Francis Cheynell,1650 *A Treatise on the Divine Nature* Humphrey Moore,1824
