The Fearless Foursome:

The Fearless Foursome Bridget Nelan, 2019-05-13 *The Fearless Foursome* tells the story of four young teenage girls who start their summer break with the formation of a new club. Their first adventure is a sleepover that turns into a night of trouble when they sneak out to meet a group of boys. A complex chain of events begins when one of them is involved in a serious accident. The main character Sara Hawthorne learns some valuable lessons over the summer about friendship, trust, and honesty. In the midst of a web of friendship issues, a boy named Matt Thompson enters the picture and captures Sara's heart. This fast-paced novel grabs the reader until the turn of the last page. *Decision 2030* Michael Stein, 2011-07-22 Recent news of a California city to outlaw circumcision and anti-Semitic and anti-Zionistic activities at many U.S. Universities has already caused many Jews to recoil in horror. Bothered by this history teacher and author Michael Stein decides to write a compelling fiction *Decision 2030* about the Jews' decision to fight or leave. This book is a fictional account of a Jewish community Grayvelt that is suffering from physical and political attacks on a massive scale in the years prior to 2030. Because of the damage done to the Jewish quality of life, the community responds in two different directions. One choice is to remain in the U.S. and fight with the help of competent civilian soldiers; another choice is to move to the northern part of Israel into a new community. The three major emerging Jewish heroes are Earle Smith, Gloria Resnick, and Rabbi Moshe Weinhauser. The Jews are helped by four non-Jewish couples known as the Fearsome Foursome. The four couples show the Jews how to fight back. The growing admiration between the Jewish community and the fearsome Foursome results in the winning strategy to minimize the terrible effects of the anti-Semitic Edgar Brown Society. *Decision 2030* contains the different points of view to remain or leave the U.S. for Israel. It has a great deal of adventure dealing with fire bombings, car and truck chases, midnight attacks, and military attacks. It also has nearly a dozen examples of alliteration which came forth in the natural flow of the author's pen. The novel also contains an original prayer and an alliterative poem. *The Scots & The Turf* Alan Yuill Walker, 2017-11-25 *The Scots & The Turf* tells the story of the great contribution made to the world of Thoroughbred horse racing by the Scots and those of Scottish ancestry past and present, culminating with the 2017 Grand National winner One For Arthur. The influence has been across the board from jockeys to trainers and owners, as well as many legendary horses. Outstanding personalities include trainers Mark Johnston on the Flat and Alan King over jumps, five-time champion Flat jockey Willie Carson, and the greatest of all jumping enthusiasts, the late Queen Elizabeth. The Queen Mother. While they are long-established names, the 21st century has embraced a new roll of honour headed by One For Arthur's trainer Lucinda Russell, Keith Dalglish, who has established new records for a Scottish-based Flat trainer, and Lucy Alexander, a brilliant young jump jockey, and many others. Recognition of the part played by all those from north of the border is long overdue, and *The Scots & The Turf* sets the record straight with a fascinating account of those who have helped make horse racing into the fabulous spectacle it is today. **The Engineer**, 1997 **Moving Wisconsin**, 1993 The Unexpected Reunion Cheryl
