The Fire Dream:

FIRE DREAM DİLARA SOM, 2025-02-16 PREFACE When I started reading the book Fire Dream a question started to come to my mind What kind of category did this book belong to It was not a novel it was not a story it was not an autobiography But what was it The book had a striking and truly deeply captivating flow Then I asked another question With what concept could I express this narrative The answer was Simplicity and Sincerity The author Dilara Som not only wrote about her own experiences but also displayed a tremendous courage and reflected a true simplicity She reflected a tremendous INNOCENCE within such deep striking and irritating events in her narration Sincerity is not a stage that can be easily reached in written language The writer always tries to make himself a hero in some way but there was no such effort in Dilara SOM s book FIRE DREAM It reflected a feeling of INNOCENCE from the deepest However there was something even more remarkable a situation rarely seen in a narrative A person especially a writer works by taking notes and collecting memories But Dilara SOM had filed her feelings kept a family tree of the momentary emotions she had experienced since her childhood Perhaps he had managed to protect himself very sharply in order to hold on to those feelings and to revive himself from the ashes like a FIRE BIRD PHOENIX The book FIRE DREAM does not only tell the story of an addict alcohol drug and behavioral disorder borderline bipolar getting clean and treated SURVIVAL but also expresses a REBORN story with naive but sharp simple and sincere emotions in a way that will GUIDE those in similar situations In fact there are more difficult situations than being addicted A situation like the meaning a person attributes to himself herself being WRONG A frequently seen manifestation ARROGANCE Dilara SOM does not only struggle with her addiction as it is revealed in this book we see the struggle of a person who is purifying himself herself from his her own ARROGANCE who is shedding the shell of arrogance and who is trying to purify himself herself not only physically but also mentally and emotionally and to reach clarity If we were to ask how Confronting the Past can be done sincerely by shedding one s shells and getting rid of the veil of arrogance we can give Dilara Som s book FIRE R YASI as an example Maybe he is tired of it or exhausted exhausted from running away from himself and his past and the need for a sincere and open confrontation has come naturally in his own words BETWEEN WHITE WALLS Where does a child s dreams start maybe from what they see maybe from what they don t see but from what they feel Dilara SOM fell into nightmares instead of her dreams in an important period of her life Maybe because she couldn t find the sincerity friendship and trust she expected her beliefs melted like a block of ice melting in a Fire Dream This book this narrative does not only tell the story of a woman s struggle to get rid of and purify herself from substance addiction but also takes people to the roots of the emotional and material situations that lead them to such situations Being left guideless in early childhood not having a real guide and being tossed and dragged while searching for such guidelines throughout her life having such expectations in every encounter and many ending in disappointment these are the experiences of the author of this book It is clear that he started from himself when he wrote However it is also seen in

his narrative that by starting from himself he reached other selves His spirit of adventure his drifts his hidden childhood and the emotional drifts he experienced during that period all of them are placed in a section of the cabinet of memories in his mind like a file The time came and each painful moment was revived with the emotions of that moment Just like the first day the living creatures preserved the energy of that old moment and took their place in the book again without getting old or worn out Dilara SOM has entered into a struggle with herself in the past in this book and it is a struggle that is given properly she has laid out her gains and losses on a table and opens up her memories like a surgeon She reckons with all the filth and pus inside her with everything she has her aim is to PURIFY them and burn herself by telling them then she wants to rebuild herself from her own ashes The reader can easily feel this flow This book is a book at the level of NARRATIVE as a genre NARRATIVE is a broad category It can include many types of narratives Here he is not only telling about himself he is also telling about himself in his memories It has an epic narrative but epic narrative is not a conscious choice made by the author It seems to have come about spontaneously somehow the words have become epic on their own in order to describe the intense feelings inside He is a promising writer we would like to see him in novels and purely fictional works in the future Editor and Publisher of the Book Mustafa Karnas February 2025 bread crumbs 30 to 70 What happens on the highway You drive straight ahead You drive fast and maybe you get excited at first You drive and drive and mostly everything stays the same You can see the view But you can't experience it consciously You reach your destination in a short time but if you pass the exit it can take 20 km to reach the next exit Have you ever done a good job and ended the evening drunk and drugged up ruining all the positive things you had built up Like crashing right before the finish line every time you were at your best I did it What happens when you take a rocky path instead of the highway You get bored But the environment can be exciting enough like the sounds of a forest or the chirping of birds You pass more slowly but more safely without worrying too much You can change direction as you wish you are not stuck at high speed My story is no more or less exciting than many others This is not a diary I am simply writing about my experiences in the clinic and I know from my previous clinical experience that sooner or later I will return to the past That's what I'm doing here I'm getting ready to confront my past and find myself a little more Clinic Floor 1 It was my third week at the Trauma Addiction Clinic in Gttingen Why is there a big inspection required every time there is an inspection Realizing that traumatized parents are a foundation that causes you to attract certain situations and certain types of people into your life The Yankee getting louder and louder is when the real thing comes to light Anger spitefulness In medicine these are called flashbacks One word a thousand effects I was eighteen Sick traumatized limitless Craving freedom They wanted to punish me for that How could I have thought that children who commit the same sins would hate you for having to act in secret Anger and hatred are born Predatory destructive and lethal Forgiveness Only one of the Green River victims families forgave him It was the only time the Green River Killer broke down in tears 14 years of my life passed with the pain and sorrow of what happened I hadn't done anything to anyone But that's

how they are Humans They are cruel And I was disgusted to have been born as a human If you feel hate you are the bad guy If you feel love you are weak Nothing went as it should Nothing was as it should They all said it was my fault The perpetrators the environment and also the police and the prosecutor They blamed me not others Then come and fulfill your childhood dream of studying law I was born a foreigner in Germany However as a young child I had a lot of back and forth about my identity because my grandmother raised me mostly in Turkey The only positive thing was that I was given more than one chance And I really fought until the end My story was never meant to be told At first glance one might speak of a fairly wealthy family a good education and good connections At second glance not I was my mother s and father s star Full of hope and promise Years later a relative of mine confessed to me that she had secretly told herself that one day I would be more successful than her daughter She was never the type of woman who would say such a thing You failed she said My world is full of hate jealousy slander racism abuse and disgust But it is also full of love and dreams And disappointments
