The Flak A Pr Journey:

The Flak J. Michael Willard, 2004-01-15 The Flak is Mike Willard's personal journey into the world of public relations. Willard assumes an autobiographical approach in his book and draws upon his vast life experiences as he writes about the importance of creativity, straight talk and unfettered counsel in the public relations industry. Willard weaves his personal story of successes, defeats and comebacks into a book loaded with PR know-how gathered by more than a quarter century in the business.

The Portfolio Bubble J. Michael Willard, 2005-02 The first wave of baby boomers is reaching retirement age. Some are professionals who don't aspire to retire. For some, retiring and spending time on the golf course or with grandkids is the ultimate reward after a life of work. For others, work is the reward, and it is for those people, professionals who plan to continue working at age 60 and beyond that Mike Willard has written *The Portfolio Bubble: Surviving Professionally at 60*. In *The Portfolio Bubble*, Willard offers practical advice for professionals who find themselves planning for the next phase of their working life. He shows how to add life experiences and professional abilities to a work portfolio that can be used to launch a new career or to reinvigorate an existing one. *The Portfolio Bubble* is written for an affluent, motivated audience. It stands alone in addressing the interests of the older executive who wants to prolong his work life and is looking for answers.

Journeys Without a Map Marion Molteno, 2021-09-28 Award-winning author

Marion Molteno takes us on a magical journey of discovery into the life of a writer and her readers. **FOOTFALLS...**

Swami Gambhirananda and other journeys Bibhas De, 2008-09-26 Swami Gambhirananda 1899-1988, a noted Hindu monk, was the eleventh President of the worldwide monastic philanthropic order of the Ramakrishna Mission, better known in the West as the Vedanta Society. He was a prolific scholar and a spiritual teacher and an indefatigable leader. But these only describe the visible man. His inner life was one of calm and continuous meditation. It has been said that most of the time he was carrying on a mental conversation with the spiritual masters whose lives he had chronicled. A fellow monk has said: If you want to get close to a real holy man, you try to get close to Swami Gambhirananda. But this is not a story of the Swami as a lone journeyer. It is about him in a group of pilgrims walking towards light. Everyday men and women in their everyday grind, sadhus and sadhvis, and some few persons of note. Here are then modern-day stories of soarings of the human mind as old as man himself. **Spirituality**

Journey's End Kevin Wilson, 2010-06-10 A brilliant insight into life in the air and on the ground. Observer. In February 1945 British and American bombers rained down thousands of tons of incendiaries on the city of Dresden, killing an estimated 25,000 people and destroying one of the most beautiful cities in Europe. The controversy that erupted shortly afterwards and which continues to this day has long overshadowed the other events of the bomber war and

blighted the memory of the young men who gave their lives to fight in the skies over Germany Journey's End neither condemns nor condones the bombing of Dresden but puts it in its proper context as part of a much larger campaign To the young men who flew over Germany night after night there were other much more pressing worries the V2 rockets that threatened their loved ones at home the brand new German jet fighters that could strike them at speeds of over 600mph They lived life at a heightened tempo during these final unforgiving months of the bomber war when no quarter was given on either side As the climactic volume in Kevin Wilson's acclaimed bomber war trilogy Journey's End chronicles the brutal endgame of a conflict that caused such devastation and tragedy on both sides
