The Flaming Sword:

The Flaming Sword David R. Brown,2018-12-13 Since the beginning of the Neolithic revolution a pervasive phantom has haunted humanity It neither rustles nor rattles nor moans upon the moors Rather its apparition is accompanied by the continuous unbroken rasp of the human race who unified in dread have emitted one solemn plea to a world rent asunder by evil and the abandonment of reason That sound is the question why All people have asked this when evil overtakes them Formal attempts have been carefully deliberated for twelve thousand years to resolve this gripping human dilemma why is there wrong and suffering And more tormentingly why if there is a God does evil exist How can it exist Many have the answer only to be turned away Now it can be answered Everyone has heard the story of Adam and Eve their fall from God and the angel posted at Paradise to turn them away The story of fallen broken man is well known and his journey through a world wracked with madness and pain is well documented But what if the real story was skipped over by the narrative What if the angel at the gates of Paradise was only a figurehead of something much larger The Flaming Sword is a guard to a gate but the guard is more than a mere angel and what it guards is more than the perfect place It guards perfection itself Like the angel at Eden it is programmed to attack whatever nears it charge including mankind Be warned and take heed for the answer may be far more haunting than the question ever dreamed

The Flaming Sword Christian Jacq,2005-11-01 In the north the barbaric Hyksos still rule with unimaginable brutality Queen Ahhotep meanwhile has recaptured much of the south but at a terrible price her husband has been killed in combat and her elder son Kames was mysteriously poisoned Ahhotep refuses to be crowned pharaoh and prepares her second son young Amose to take power instead Thanks to her the Egyptians are now ready for the final battle They lay siege to Avaris the Hyksos capital and once the city is taken nothing can stop them After 100 years of occupation and thousands of violent deaths it looks as though the Egyptian empire may at last rise from the ashes *The Flaming Sword* ,1904 [The Flaming Sword](#) ,1898 **The Flaming Sword** Sumeer Brar,2007-09-01

[The Flaming Sword](#) George Gibbs,1914 **The Flaming Sword** Nancy Fullwood,2013-10 This is a new release of the original 1935 edition *The Flaming Sword* George Gibbs,1920 *The Flaming Sword* Folayan Osekita,2010-04-27 The inspiration for the writing of the book *The Flaming Sword* came from deep meditation upon the Word of God The Lord Spoke to me and Told me to go round buying Bibles especially old ones and different types and editions Then I came across this huge Bible referred to in the first chapter of the book A Case For The Word Of God Gateway To True Freedom What struck me was the fact that men had obeyed God s Word to them and His Leading of them to perform certain tasks like writing the Holy Scriptures and translating the same Holy Scriptures Just like Noah received Instructions to build the Ark etc Another thing that struck me was that many people encounter God in life and die without acknowledging or witnessing to that fact A particular man that I read about in one of the testimonies was not prepared to die without witnessing to the facts of what God had done in his life That was it I was caught God had gotten a good grip on me I realised that my line of thinking was not my

own and that the Lord was actually Speaking to me again I had been walking very closely with the Lord for several years before this particular encounter He had Spoken to me that He would use me to speak to the world I had so many visions and encounters with God s Word previously and in fact to date I had to pour out my heart I had to speak to the world of some things the Lord had been Speaking to me about That was how I started handwriting the book I wrote the book on my knees mostly in a praying position over a total of about two weeks almost non stop I couldn t stop till it was finished I wrote this book in 2004 after a life threatening illness I realise that God spared my life for a reason and I couldn t afford to die with the Word Living in me I had to share it with the world and quickly It has interestingly taken about six years for the book to be published God s Timing is the best I am fully satisfied that eventually the book got published I give all the praise and glory to God Almighty in Jesus Christ The Flaming Sword is the only sword that can actually separate bone from marrow It is sharper than any normal double edged sword It is the Word of God When the Lord Speaks He means business Dishonour His Word at your own peril But obey the Word of God and be Blessed For with God there are Blessings for obedience and curses for disobedience The Lord has Spoken His Word to me and through me and I have delivered to the best of my ability The rest is for you my reader May God Enable you and Bless you to get the best from the book It is for you I pray in Jesus Name Amen It is my hope that you my reader would read the book in an attitude of reverence and prayer and meditate upon the words written I believe that the book will benefit you Of course like any endeavour in life the tendency is to get from it as much as you put into it So therefore to get the best of the book you must apply yourself to it in terms of commitment Even if you have no faith at all just decide that you are going to learn something new and that you will not read the book in vain and you will be Blessed in Jesus Name

The Flaming Sword Thomas Dixon, 2005-05-20 Thomas Dixon is perhaps best known as the author of the best selling early twentieth century Klan trilogy that included the novel The Clansman 1905 which provided the core narrative for D W Griffith s groundbreaking and still controversial film The Birth of a Nation 1915 In his twenty eighth and last novel The Flaming Sword 1939 Dixon takes to task his long standing black critics especially W E B DuBois by attacking what he considered to be a vast conspiracy by blacks and Communists to destroy America A new introduction and detailed notes by John David Smith offer a valuable historical and critical perspective on this important and divisive classic of American literature Thomas Dixon 1864 1946 was born in Shelby North Carolina He is the author of The Clansman and The Sins of the Father
