The Independent ,1991 **The Revelations** Erik Hoel,2021-04-06 An edgy and ambitious debut by a powerful new voice in contemporary literary fiction Monday Kierk wakes up Once a rising star in neuroscience Kierk Suren is now homeless broken by his all consuming quest to find a scientific theory of consciousness But when he's offered a spot in a prestigious postdoctoral program he decides to rejoin society and vows not to self destruct again Instead of focusing on his work however Kierk becomes obsessed with another project investigating the sudden and suspicious death of a colleague As his search for truth brings him closer to Carmen Green another postdoc their list of suspects grows along with the sense that something sinister may be happening all around them The Revelations not unlike its main character is ambitious and abrasive challenging and disarming Bursting with ideas ranging from Greek mythology to the dark realities of animal testing to some of the biggest unanswered questions facing scientists today The Revelations is written in muscular hypnotic prose and its cyclically dreamlike structure pushes the boundaries of literary fiction Erik Hoel has crafted a stunning debut of rare power an intense look at cutting edge science consciousness and human connection *The Post-9/11 Great American Novel* Sheheryar Sheikh,2025-10-16 A study of the confluences between liberal white Americans trauma their reverting to hyper conservative Islamophobia and Don DeLillo's call to American authors that they compose a new so called Great American Novel pluriverse in the wake of 9 11 In December 2001 Don DeLillo urged American writers to create the counternarrative that would reclaim control of culture in a call for nation rebuilding fiction that mirrors John William de Forest's original post Civil War coinage of the term and concept of the Great American Novel Through this conceptual framework Sheheryar Sheikh examines four major post 9 11 works to demonstrate a concerted effort by these authors to address the Muslim Question in novels that feature and critique traumatized white Americans creating mechanisms with which to mitigate the trauma of 9 11 as it resurges at even the thought of Muslims existing in America after 9 11 By looking at repression appropriation adversarial othering and enforced secularization as they appear in Jonathan Safran Foer's *Extremely Loud*

Incredibly Close John Updike's *Terrorist* DeLillo's *Falling Man* and Amy Waldman's *The Submission* this study shows the iterations of solutions and the abandonment of these ideals by traumatized white liberals While the original concept of the Great American Novel featured fluid and multifaceted explorations of the American Dream The Post 9/11 Great American Novel shows how this renewed interest in creating nation rebuilding texts threatened to stagnate and calcify this literary form Specifically because these texts primarily congeal around the occlusion of Muslims and Islam within and from the United States

Raindrops of Revelation Zion S. Kwok, 2024-12-17 Call to me and I will answer you and will show you great and difficult things which you don't know Jeremiah 33:3 WEB The Lord gave us the Book of Revelation a book of signs and mysteries Let us ask Him for understanding for surely He desires that the book bear fruit in the lives of His people Raindrops of revelation will fall upon us accumulating into ever deeper pools of understanding or perhaps our imagination Yet in all this we marvel at the wondrous design of the book Is there a literary progression in the letters to the seven churches Have the seals anything to do with the Great Persecution at the time of Diocletian How long is the Day of the Lord Is there a real animal with ten horns Is the beast from the land the same as Babylon the Great Will the vertical dimension of the New Jerusalem be mostly underground May we wait more eagerly for the coming of our Lord
