The Fantasticks Harvey Schmidt, Tom Jones, 1990 Presents the text of the long running Off Broadway production about the trials and tribulations of young lovers *The Song Is You* Bradley Rogers, 2020-10-15 Musicals it is often said burst into song and dance when mere words can no longer convey the emotion This book argues that musicals burst into song and dance when one body can no longer convey the emotion Rogers shows how the musical's episodes of burlesque and minstrelsy model the kinds of radical relationships that the genre works to create across the different bodies of its performers spectators and creators every time the musical bursts into song These radical relationships borne of the musical's obsessions with bad performances of gender and race are the root of the genre's progressive play with identity and thus the source of its subcultural power However this leads to an ethical dilemma Are the musical's progressive politics thus rooted in its embrace of regressive entertainments like burlesque and minstrelsy The Song Is You shows how musicals return again and again to this question and grapple with a guilt that its joyous pleasures are based on exploiting the laboring bodies of its performers Rogers argues that the discourse of integration which claims that songs should advance the plot has functioned to deny the radical work that the musical undertakes every time it transitions into song and dance Looking at musicals from The Black Crook to Hamilton Rogers confronts the gendered and racial dynamics that have always undergirded the genre and asks how we move forward *Little Musicals for Little Theatres* Denny Martin Flinn, 2006 In each entry you will find a synopsis of the musical its cast size a list of musical numbers and Flinn's professional comments on the advantages and disadvantages of producing the show Flinn also provides licensing information production notes photos of many of the plays that give you a look at production requirements commentary and statistics on the number of performances that reveal just how successful the original production was Appendixes include contact information for licensing organizations authors composers and lyricists and an index offers quick access to individual titles If you're planning to produce a little musical or
