**Leland Poague, Kathy A. Parsons**

## **The Fellow Travellers Intellectual Friends Of Communism:**

*The Fellow Travellers* David Caute, 1973      France and the Spanish Civil War Mr Martin Hurcombe, 2013-05-28 In this wide ranging study of French intellectuals who represented the Spanish Civil War as it was happening and in its immediate aftermath Martin Hurcombe explores the ways in which these individuals addressed national anxieties and shaped the French political landscape Bringing together reportage essays and fiction by French supporters of Franco's Nationalists and of the Spanish Republic Hurcombe shows the multifaceted ways in which that conflict impacted upon French political culture He argues that French cultural representations of the war often articulated a utopian image of the Nationalists or of the Spanish Republic that served as models behind which the radical right or the radical left in France might mobilise His book will be of interest not only to scholars of French literature and culture but also to those interested in how events unfolding in Spain found an echo in the political landscapes of other countries      Debating Worlds Daniel Deudney, G. John Ikenberry, Karoline Postel-Vinay, 2023 By the last decade of the twentieth century the great questions of modernity seemed to be answered With the collapse of the Soviet Union and global communism the liberal democratic capitalist project seemed to be the only one left standing and in the 1990s the liberal ideal spread worldwide Today of course this universalistic narrative rings hollow The global distribution of power has shifted and the preeminence of the West is receding as new directions for world order emerge China is rapidly ascending as a peer competitor of the United States bringing with it a powerful new global narrative of grievance and revision Political Islam also burst onto the global scene as a multifaceted transnational movement reshaping regional political order and geopolitical alignments With the rapid advance of climate change there have arisen new narratives of global endangerment and dystopia Far from converging fragmentation and contestation increasingly dominate debates over world order In *Debating Worlds* Daniel Deudney G John Ikenberry and Karoline Postel Vinay have gathered a group of eminent scholars in the field to analyze the various ways in which the West's dominant narrative has waned and a new plurality of narratives has emerged Each of these narratives combines stories of the past with understandings of the present and attractive visions of the future Collectively the contributors map out these narratives focusing primarily on their key features origins and implications for world order The narratives prominent on the world stage are a volatile mix of components but they also differ in scope some are regional and civilizational without global aspirations while others cast themselves as globally expansive and universally ambitious Covering the most influential narratives currently shaping world politics *Debating Worlds* is an essential volume for all scholars of international relations      **Social Theory and Postcommunism** William Outhwaite, Larry Ray, 2008-04-15 *Social Theory and Postcommunism* undertakes a thorough study of the implications of post communism for sociological theory Written by two leading social theorists the book discusses the thesis that the fall of communism has decimated alternative conceptions of social organizations other than capitalism Analyzes the implications of the fall of communism on social theory Discusses alternative ideas of social

organizations other than capitalism in the wake of the collapse of communism Covers state civil society globalization the future of modernity and post socialism      **Modernism, Internationalism and the Russian Revolution** David

Ayers, 2018-06-30 Representations of the ancient hero in the new millennium      **Stalin's American Spy** Tony

Sharp, 2014-05-15 Stalin's American Spy tells the remarkable story of Noel Field a Soviet agent in the US State Department in the mid 1930s Lured to Prague in May 1949 he was kidnapped and handed over to the Hungarian secret police Tortured by them and interrogated too by their Soviet superiors Field's forced confessions were manipulated by Stalin and his East European satraps to launch a devastating series of show trials that led to the imprisonment and judicial murder of numerous Czechoslovak German Polish and Hungarian party members Yet there were other events in his very strange career that could give rise to the suspicion that Field was an American spy who had infiltrated the Communist movement at the behest of Allen Dulles the wartime OSS chief in Switzerland who later headed the CIA Never tried Field and his wife were imprisoned in Budapest until 1954 then granted political asylum in Hungary where they lived out their sterile last years This new biography takes a fresh look at Field's relationship with Dulles and his role in the Alger Hiss affair It sheds fresh light upon Soviet espionage in the United States and Field's relationship with Hede Massing Ignace Reiss and Walter Krivitsky It also reassesses how the increasingly anti-Semitic East European show trials were staged and dissects the lessons which Stalin sought to convey through them      Religion and the Cold War Philip Emil Muehlenbeck, 2012 The influence of faith in the conflicts that defined the Cold War

George Orwell Robert Colls, 2013-10-23 An intellectual who did not like intellectuals a socialist who did not trust the state a writer of the left who found it easier to forgive writers of the right a liberal who was against free markets a Protestant who believed in religion but not in God a fierce opponent of nationalism who defined Englishness for a generation Aside from being one of the greatest political essayists in the English language and author of two of the most famous books in twentieth century literature George Orwell was a man of many fascinating contradictions someone who liked to go against the grain because he believed that was where the truth usually lay George Orwell English Rebel takes us on a journey through the many twists and turns of Orwell's life and thought from the precocious public school satirist at Eton and the imperial policeman in Burma through his early years as a rather dour documentary writer down and out on the streets of Paris and London and on the road to Wigan pier o his formative experiences as a volunteer soldier in the Spanish Civil War Above all the book skilfully traces Orwell's gradual reconciliation with his country a journey which began down a coal mine in 1936 to find its exhilarating peaks during the dark days of the Second World War      **The Oxford**

**Companion to English Literature** Dinah Birch, 2009-09-24 The Oxford Companion to English Literature has long been established as the leading reference resource for students teachers scholars and general readers of English literature It provides unrivalled coverage of all aspects of English literature from writers their works and the historical and cultural context in which they wrote to critics literary theory and allusions For the seventh edition the Companion has been

thoroughly revised and updated to meet the needs and concerns of today's students and general readers Over 1 000 new entries have been added ranging from new writers Chimamanda Ngozi Adichie Patrick Marber David Mitchell Arundhati Roy to increased coverage of writers and literary movements from around the world Coverage of American literature has been substantially increased with new entries on writers such as Cormac McCarthy and Amy Tan and on movements and publications Contextual and historical coverage has also been expanded with new entries on European history and culture post colonial literature as well as writers and literary movements from around the world that have influenced English literature The Companion has always been a quick and dependable source of reference for students and the new edition confirms its pre eminent role as the go to resource of first choice All entries have been reviewed and details of new works biographies and criticism have been brought right up to date So also has coverage of the themes approaches and concepts encountered by students today from terms to articles on literary theory and theorists There is increased coverage of writers from around the world as well as from Ireland Scotland and Wales and of contextual topics including film and television music and art Cross referencing has been thoroughly updated with stronger linking from writers to thematic and conceptual entries Meanwhile coverage of popular genres such as children's literature science fiction biography reportage crime fiction fantasy or travel literature has been increased substantially with new entries on writers from Philip Pullman to Anne Frank and from Anais Nin to Douglas Adams The seventh edition of this classic Companion now under the editorship of Dinah Birch assisted by a team of 28 distinguished associate editors and over 150 contributors ensures that it retains its status as the most authoritative informative and accessible guide to literature available

**Susan Sontag** Leland Poague, Kathy A. Parsons, 2021-12-12 Susan Sontag An Annotated Bibliography catalogues the works of one of America's most prolific and important 20th century authors Known for her philosophical writings on American culture topics left untouched by Sontag's writings are few and far between This volume is an exhaustive collection that includes her novels essays reviews films and interviews Each entry is accompanied by an annotated bibliography
