

The Feminine

Elliot R. Wolfson

The Feminine:

Feminist Interpretations of Emmanuel Levinas Tina Chanter, 2010-11 This volume of essays all but one previously unpublished investigates the question of Levinas's relationship to feminist thought Levinas known as the philosopher of the Other was famously portrayed by Simone de Beauvoir as a patriarchal thinker who denigrated women by viewing them as the paradigmatic Other Reconsideration of the validity of this interpretation of Levinas and exploration of what more positively can be derived from his thought for feminism are two of this volume's primary aims Levinas breaks with Heidegger's phenomenology by understanding the ethical relation to the Other the face to face as exceeding the language of ontology The ethical orientation of Levinas's philosophy assumes a subject who lives in a world of enjoyment a world that is made accessible through the dwelling The feminine presence presides over this dwelling and the feminine face represents the first welcome How is this feminine face to be understood Does it provide a model for the infinite obligation to the Other or is it a proto ethical relation The essays in this volume investigate this dilemma Contributors are Alison Ainley Diane Brody Catherine Chaliel Luce Irigaray Claire Katz Kelly Oliver Diane Perpich Stella Sandford Sonya Sikka and Ewa Ziarek

Psychedelic Mysteries of the Feminine Maria Papaspyrou, Chiara Baldini, David Luke, 2019-04-30 An exploration of the connections between feminine consciousness and altered states from ancient times to present day Explores the feminine qualities of the psychedelic self ancient female roots of shamanism and how altered states naturally tap into the female archetype Discusses feminist psychedelic activism female ecstasies goddess consciousness the dark feminine and embodied paths to ecstasy Includes contributions by Martina Hoffmann Amanda Sage Carl Ruck and others Women have been shamans since time immemorial not only because women have innate intuitive gifts but also because the female body is wired to more easily experience altered states such as during the process of birth Whether female or male the altered states produced by psychedelics and ecstatic trance expand our minds to tap into and enhance our feminine states of consciousness as well as reconnect us to the web of life In this book we discover the transformative powers of feminine consciousness and altered states as revealed by contributors both female and male including revered scholars visionary artists anthropologists modern shamans witches psychotherapists and policy makers The book begins with a deep look at the archetypal dimensions of the feminine principle and how entheogens give us open access to these ancient archetypes including goddess consciousness and the dark feminine The contributors examine the female roots of shamanism including the role of women in the ancient rites of Dionysus the Eleusinian Sacrament and Norse witchcraft They explore psychedelic and embodied paths to ecstasy such as trance dance holotropic breathwork and the similarities of giving birth and taking mind altering drugs Looking at the healing potential of the feminine and altered states they discuss the power of plant medicines including ayahuasca and the recasting of the medicine woman archetype for the modern world They explore the feminine in the creative process and discuss feminist psychedelic activism sounding the call for more female voices in the psychedelic research community Sharing the

power of femtheogenic wisdom to help us move beyond a patriarchal society this book reveals how feminine consciousness when intermingled with psychedelic knowledge carries and imparts the essence of inclusivity interconnectedness and balance our world needs to heal and consciously evolve

highest intentions to benefit and bless every reader who seeks to understand the true nature of their encounters **The Rhetorical Functions of Scriptural Quotations in Romans** Katja Kujanpää, 2018-10-02 Quotations from Jewish scriptures play a crucial role in the Letter to the Romans The Rhetorical Functions of Scriptural Quotations in Romans explores their rhetorical functions in Paul's argumentation It offers a careful text critical analysis of the 51 quotations in Romans and asks questions such as does Paul quote accurately according to a wording known to him or does he adapt it himself Moreover to what extent does Paul strive to preserve the sense that the quoted words have in their original context Katja Kujanpää's approach of combining rhetorical matters with close textual study results in a more comprehensive picture of quotations in Romans than has been previously seen Thus the book opens new perspectives on Paul's argumentation rhetoric and theological agenda Circle in the Square Elliot R. Wolfson, 2012-02-01 This book deals with aspects of the gender imaging of God in a variety of medieval kabbalistic sources It provides the key to understanding the phenomenological structures of mystical experience as well as the thematic correlation of esotericism and eroticism that is central to the kabbalah The author examines the role of gender utilizing current feminist studies and cultural anthropology He explores the themes of the feminization of the Torah the correlation of circumcision and vision of God the phallocentric understanding of divine creation as a process of inscription mythologized as an act of sexual self gratification and the phenomenon of gender crossing in kabbalistic myth and ritual Collectively the studies explore in great depth the androcentric phallocentrism that is characteristic of medieval Jewish mysticism Forests in the Sahara Paul Stidolph, 2017-09-29 Jeffrey Harvey is realising his dream an ambitious project to use the icebergs of Antarctica to overcome drought in Africa But his past is catching up with him Love deception intrigue and murder have followed him all his adult life and now they come together to create a world where the difference between friends and foes is a matter of circumstance To some Harvey is a visionary to others a liability His passionate but complex girlfriend Anna strives to protect him from the dangers he brings on himself while she struggles with her own identity The stakes become higher than either can imagine

The Feminine Introduction

In today's digital age, the availability of The Feminine books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Feminine books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Feminine books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Feminine versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Feminine books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Feminine books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Feminine books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast

collection of digitized books and historical documents. In conclusion, The Feminine books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Feminine books and manuals for download and embark on your journey of knowledge?
