The Final Exodus:

The Final Exodus Apostle Frederick E. Franklin, 2013-10-24 THE FINAL EXODUS is our 47th forty seventh Book which we have written This is the most important and powerful Book that we have written This Book also like all of our previous 46 forty six Books was written because God told us to write it You will agree with us no other Book ever written is as enlightening as this Book with the exception of the Holy Bible This Book is wonderfully informative This Book will turn the world upside down God will use this Book to get all of our Books distributed throughout the earth Although we are little known at this time this Book will make us known by all the world saved and non saved This Book will facilitate Apostle Frederick E Franklin establishing God s end times Church This Book will facilitate my death and my wife s Prophetess Sylvia Franklin s death when God get ready for us to die God has said that we would not die until we allow it to happen God will say to us at that time let them do what they will the sooner they do it the sooner we will be with him [The Final Exodus](#)

William Carr Blood, 2006-02-01 Scripture Tells Us in the last days scoffers will come saying where is the promise of His coming For since the fathers fell asleep all things continue as they were from the beginning of creation 2 Peter 3 3 4 These scoffers were silenced forever when the Nation of Isarel was re established in 1948 Israel is not only the greatest prophetic miracle since the life of Jesus of Nazareth but it is a brilliant signpost pointing to the last days foretold in both the Old and New Testaments The current immigration of Jews to Israel will be their Final Exodus from foreign nations God has told them and I will plant them upon their land and they shall no more be pulled up out of their land Amos 9 15 The Final Exodus outlines our mandates to pray for God s chosen people to help them return to Israel and to provide for their safety in times of persecution

The Final Exodus: Deciphering the Book of Revelation Christine Paxson, Rose Spiller, 2022-09-01 What is it about the Book of Revelation Some treat it like a futuristic comic book Some consider it is too complex to try to understand Some worry about getting the interpretation wrong or worse on getting it right Some read it trying to break the code as if John wrote the book in a secret code expecting Christians to try and crack it And then there are those who are terrified of the book and the images so they just avoid it altogether For them ignorance is bliss The Final Exodus is a theologically sound scriptural approach to the Book of Revelation Authors and podcasters Christine Paxson and Rose Spiller examine questions such as Where have we seen this before Is this passage meant to be taken literally symbolically or metaphorically Has this passage already been interpreted somewhere else in Scripture Does our conclusion of the passage line up with everything else in the Bible Is this passage telling us something new or is it a picture of something already seen in the Old Testament or in other parts of the New Testament Using the same careful and systematic exegesis that should be used for interpreting all books of the Bible The Final Exodus brings clarity and understanding to a book that is often misinterpreted in chaotic and irresponsible ways

The Final Exodus; Or, the Restoration to Palestine of the Lost Tribes, the Result of the Present Crisis, Etc, 1854 **The Final Exodus** Mark Sides, 2005-06-01 This book is about

Bible prophecy on the cutting edge of what is happening in our days The days of restoration are coming at us **The Final Exodus** Glenn Pollert,1993 **The Final Exodus** Peter Kendall,2016 After the Final Exodus A.G. Kimbrough,2020

The Final Exodus Wayne D. Connolly,2004-07-01 There have been many attempts to terminate the hostilities between the Palestinians and Israel Various forms of two basic resolutions have failed miserably The real solution has nothing to do with the aforementioned attempts This book delineates the evolution of the hostilities and it demonstrates the Arab and Israeli concerns the U S perspective and the benefits for the State of Israel and the Arab world for its implementation The previous peace accords have not been successful because they have failed to address the fundamental problems which exist between these two bellicose neighbors Even should another plan be offered that is acceptable to both heads of state the radical elements on both sides would violently terminate its ratification The world has waited fifty six years for a viable answer to this conundrum Concomitantly the resolution of this conflict will end the most salient reason for worldwide terrorism **The Final Exodus; Or, The Restoration to Palestine of the Lost Tribes, the Result of the Present Crisis; with a Description of the Battle of Armageddon, and the Downfall of Russia, as Deduced Wholly from Prophecy** Palestine. Appendix,1854
