The First Century Of Italian Humanism:

The First Century of Italian Humanism Ferdinand Schevill, 1928 **The First Century of Italian Humanism** Ferdinand Schevill, 1966 **First Century of Italian Humanism** Ferdinand Schevill, 1970-02-01 A study in the intellectual history of Italy between 1325 1450 During this period there began to define itself quite clearly a new attitude toward life which the documents incorporated in this volume offer an opportunity to explore *Italian Literature before 1900 in English Translation* Robin Healey, 2011-12-15 Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008 It lists works from all genres and subjects and includes translations wherever they have appeared across the globe In this annotated bibliography Robin Healey covers over 5 200 distinct editions of pre 1900 Italian writings Most entries are accompanied by useful notes providing information on authors works translators and how the translations were received Among the works by over 1 500 authors represented in this volume are hundreds of editions by Italy s most translated authors Dante Alighieri Machiavelli and Boccaccio and other hundreds which represent the author s only English translation A significant number of entries describe works originally published in Latin Together with Healey s Twentieth Century Italian Literature in English Translation this volume makes comprehensive information on translations accessible for schools libraries and those interested in comparative literature **Nicholas of Cusa - A Companion to his Life and his Times** Morimichi Watanabe, Edited by Gerald Christianson, 2016-05-06 This work is a guide to the life thought and activities of Nicholas of Cusa 1401 1464 the great fifteenth century philosopher theologian jurist author of mystical and ecclesiastical treatises cardinal and reformer It is intended not only for advanced scholars but also for beginners and those simply curious about a man who has been called one of the greatest Germans of the fifteenth century and a medieval thinker for the modern age The book provides a series of detailed but readable essays on ideas persons and places a work developed over the course of nearly three decades First it contains articles on the important events and concepts that affected Cusanus philosophical religious intellectual and political Then it turns to his precursors and contemporaries both friendly and critical These include philosophers theologians politicians and canon lawyers And third the book follows the footsteps of the man from Kues and examines various sites where he lived studied or visited Because the author has also visited many of these sites he can contribute personal observations to enliven the journey To add to the book s usefulness as a resource and reference tool each entry is followed by a bibliography containing both recent and older works The purpose of the volume is to gain a greater appreciation of Cusanus and his legacy by striving for a total view of his thought and experience instead of narrowly focusing on specific philosophical theological or intellectual ideas or certain periods of his activities in isolation from other facets of this compelling figure **Studies in the Italian Renaissance** Berthold Louis Ullman, 1955 **The Mind of the Middle Ages** Frederick B. Artz, 2014-11-20 This is the third edition of a near standard survey of the intellectual life of the age of faith

Artz on the arts as on philosophy politics and other aspects of culture makes lively and informative reading The Washington Post **Routledge Encyclopedia of Philosophy: Index** Edward Craig,1998 Volume seven of a ten volume set which provides full and detailed coverage of all aspects of philosophy including information on how philosophy is practiced in different countries who the most influential philosophers were and what the basic concepts are The Lost Italian Renaissance Christopher S. Celenza,2006-01-09 A groundbreaking work of intellectual history The Lost Italian Renaissance uncovers a priceless intellectual legacy suggests provocative new avenues of research **The American Historical Review** John Franklin Jameson, Henry Eldridge Bourne, Robert Livingston Schuyler,1928 American Historical Review is the oldest scholarly journal of history in the United States and the largest in the world Published by the American Historical Association it covers all areas of historical research
