At a time when the U S flag is both a source of both pride and controversy this volume provides the first encyclopedic A to Z treatment of the U S flag in American history culture and law This title is a comprehensive resource for understanding all aspects of the American flag and its relationship to the American people The encyclopedia provides a thorough historical examination of key developments in the flag s design as well as laws and court decisions related to the flag and the First Amendment In relation to the flag s history it also discusses evolving public attitudes about its importance as a national symbol The encyclopedia contains illuminating scholarly essays on presentations of the flag in American politics the military and popular culture including art music and journalism Additionally these essays address important rules of flag etiquette and modern controversies related to them from flag burning to refusing to stand during the playing of the U S National Anthem Orange Coast Magazine ,1988-09 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County s most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County s only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county s luxe lifestyle Exhibition of the Series of Flag Pictures by Childe Hassam Corcoran Gallery of Art, 1922 *Telfair Museum of Art* Telfair Museum of Art, 2005-01-01 The fascinating history of the Telfair featuring 114 representative pieces of fine and decorative art from its vast collection all superbly reproduced and thoroughly annotated **Childe Hassam** Ulrich W. Hiesinger, 1994 America s preeminent Impressionist painter 1859 1935 He studied in Paris 1886 89 and later became one of The ten a group of American Impressionists who exhibited together until World War I Flags and Faces David M. Lubin, 2015-02-21 From the sinking of the Lusitania in 1915 to the declaration of war against Germany in 1917 American artists and designers used their well honed visual skills to campaign for or against intervention During this period Old Glory assumed its present role as a patriotic icon After the war as Americans tried to forget the horrors their soldiers had encountered abroad medical advances in facial reconstruction for disfigured combatants gave rise to cosmetic plastic surgery and a flourishing makeup industry elements in a conspicuously new distaste for plainness and aging and obsession with youth and beauty *Flags and Faces* analyzes these respective aspects of American visual culture in the shadow of the First World War Provided by publisher **Tales from the Easel** ,2004 *Tales from the Easel* features seventy full color reproductions that convey the expressive allusive powers of narrative painting Though they

range widely in subject and setting all of the paintings gathered here are rendered in a representational or realistic style Carrying moral social or patriotic messages the paintings are meant to teach enlighten or inspire Then again the paintings can also tweak the very conventions that define them with results that range from the delightfully idiosyncratic to the visionary Thomas Hart Benton Winslow Homer Andrew Wyeth and Jacob Lawrence are just some of the household names whose work appears in *Tales from the Easel* Others like Elihu Vedder and Lilly Martin Spencer are less well known but still vital to the development of narrative painting While some of the artists including George Caleb Bingham and Paul Cadmus were classically trained self taught painters such as Carlos Shoney Moon and Thomas Waterman Wood are also represented American rivers cities and battlefields are among the native surroundings shown in many of the paintings However artists also looked elsewhere for settings to Europe the Holy Land or even some imagined realm Charles C Eldredge's essay discusses the rich and varied sources of American narrative painting from literature and history to childhood and domestic life and an essay by William Underwood Eiland provides a discussion of the southern tale telling tradition Artist biographies by Reed Anderson and Stephanie J Fox appear opposite the paintings adding further context *Tales from the Easel* a companion volume to the national touring exhibit of the same name is a stunning reminder of a tradition in American painting that has endured across two centuries and numerous art movements
